Message of Mary Most Holy

Beloved children, I wish your hearts to overflow with love and joy.

Message of Mary - 25 YEARS OF APPARITIONS

Eduardo: our Lady wears a white tunic, a beautiful light blue coat and a white veil on her head.

Dear children, it is with joy that I come once again to be with you to greet you and thank you for the love that each of you has for me, who I am your Mother.

Little ones, I invite you to unite with me and with my Son Jesus.

My children, many of you are turning away from God. You are forgetting about the sacraments.
Confess and go to Mass!

Many of you are without any protection. Be careful!

As I have been doing in these 25 years in which I came to Earth, I invite you once again to live my messages.

Beloved, I invite you to use the blessed water more often.

Many of you do not know the value of the blessed water.

I ask you to use it often in your homes, not only during prayer, but also daily to keep the enemy away.

Many are asking why Pope Benedict XVI has resigned.

I answer: children, he was forced to resign. It was not his will ... do not criticize him and instead pray.

Today I also invite you to double your prayers.

Who was praying a rosary, begins to say two.

I invite you right away to pray already for the choice of the new pope, otherwise he will be forced to leave the seat of the Vatican.

I had already announced in past messages the change of the Vatican headquarters in another place, very soon this will happen.

I invite you to pray with trust. Pray!

Little ones, very soon what I had already said in many places of my apparitions will begin to happen: the martyrdom of my chosen children, the priests.

Pray, beloved children.

The Church needs help and you must help it.

Eduardo: Our Lady asks for her statue of the Mystic Rose to pass among the faithful present here in the chapel of the sanctuary.

Dear children, I ask you to live the Gospel in holiness in your daily life.

Prepare yourselves to live this Lent with much prayer and penance.

For many, it will not be easy, but I, your Mother, will be close to you. I am the Queen of Peace - the Mediator of All Graces.

I invite my children, when they come to visit this shrine, to bring roses.

Remember the miracles that occurred here in the roses during my apparitions. God wants to give you much more ...

Eduardo: Our Lady says that wherever these images of the Mystical Rose will arrive, she will be present bringing the graces of her Son Jesus. Have respect for these images.

My prophecies, starting with La Salette, are already happening among you.

Beloved children, I am happy for the presence of each of you here today in my sanctuary.

Continue to form prayer groups in your homes.

It is necessary to educate families to pray the rosary in their homes.

Beloved children, keep on praying for priests, for bishops and also for consecrated souls.

I am the Victorious Queen!

I bless you in the name of the Father, the Son and the Holy Spirit.

Pray for the priests, so that they may help me in the salvation of millions of souls.

My sons priests are in danger if no one prays for them.

Message of Mary

Peace!
Beloved children, today I invite you once again to pray for peace.
Pray, pray, pray.
My children, sin has removed many of my consecrated persons.
Envy has been one of the enemy's traps.
My children, there is no more time to waste with chatter and judgments.
You must pray and ask for forgiveness of your sins as long as there is time.
These days that are close to you are prompt, so you must be vigilant.
I do not come to ask much from each one of you, I only ask you to pray and return to the arms of God.
If you do not pray as I ask you, Brazil will become similar to other countries in destruction, such as the United States.
Remember today the first appearance to my daughter Mildred in 1956, in which I asked for prayer for America and in a special way for the United States.
While the United States care in growing in power, they forget to grow in faith, and so they turn away from the Lord.
Many countries try to become as the United States, not knowing that they run the risk of losing faith in God.
Return to God as long as there is time, my children.

I am the Mystic Rose - the Queen of Peace.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Jesus - 18th anniversary of the first message of Jesus

My little lily, peace!
What I am telling you in this dawn is important.
Son, the scent of my Holy Mother is the scent of her Love.
It is the scent of Heaven that spreads among you when she goes down to Earth.
Beloved son, through my Mother I will give you a Holy oil to wash you from all wounds, both body and soul.
Beloved, this morning I ask to stop all the noise in the chapel of this sanctuary.
You have entered for adoration and not for vain conversations.
I ask my daughters once again: dress decently.
Beloved, always pay attention to my appeals and those of my Holy Mother the Mystic Rose - the Queen of Peace.
Beloved, I keep on waiting for you with open arms in the tabernacle.
Why don't you come to me?
Beloved children, do not be afraid of persecution.
Remember: they do not persecute you, but Me.
To my disciples (priests):
Give me your will and you will have peace.
Give me your prayers and so Heaven will be open.
Keep listening to my appeals.
Beloved children, my Mercy is infinite.
My Sacred Heart is sad when you despise my Holy Mother.
Be careful!
I wish no one gets lost.
Pray, pray.
Abandon yourself entirely to me.
Offer me your will.
Beloved son, do not seek comfort in creatures, nor support, because you will not find them.
I am peace. You have my peace.
Beloved children, how many warnings have I already given you and how many times have you

covered your ears?

My Holy Mother has already given you many messages and signs and you have ignored her too.

Many are those who say they know me, but they deceive themselves.

Beloved, time is short.

I am the Lord. There is no other solid foundation, I am your Rock, it is on this that you must build and on which you must stay.

Be quiet ...

Beloved children, I am the only one who can save you and help you.

I am the Hope which wants to be deposited in each one of you.

Beloved, accept joyfully the suffering that you are living here on earth, I welcome the offer of your life to Me. I will give you the relief of Heaven.

Do not worry about everyday things, because I will help you with your everyday needs.

Beloved, repair your mistakes.

Correct and prepare your souls and your bodies ...

Abandon yourselves entirely to Me.

Beloved son, this morning remember my second appearance to you on October 23, 1995 in the city of Gaspar / SC ...

Now you understand better why I appeared to you ...

Come and stay with Me. Never be afraid of being in my arms.

These arms welcome you with great love.

Be one with Me!

Your sufferings comfort mine.

Be happy to be with Me.

Beloved son, my Heart is more and more crowned with acute thorns.

Beloved child, it is necessary to save souls, especially those who have no time for me.

Are you willing to offer me this sacrifice?

My little lily, I know your heart.

Beloved, I urge you to pray the rosary, in the houses and in the churches.
Angola, great and beloved country, you are rich, but still, you keep on being poor in God's richness.
I wish to instruct you to seek for God as soon as possible.
Many of you believe in projects that are not pleasing God.
My children, the greatest power is of the One who created the world.
Seek for forgiveness, for repentance.

Free yourself from the enemy.
Beloved children, seek mercy and forgiveness.
Beloved children, the Father loves you deeply.
African children, remember His Divine Mercy which does not abandon you.
I tell once again to those who love me: seek for forgiveness.

Message from St. Anthony

Dearest friends, tonight I want to tell you how important your prayers are for priests.

Be careful not to distract yourself when you pray.

Our adversary is lurking and tries to make you deviate from the path of the Lord.

Do penance for priests. Many of them are falling into Hell, pray a lot for them.

Not long in this country too, the Church will suffer great martyrs.

Dear friends, it is not yet time to reveal why I choose this date to appear.

Love the Celestial Commander, Mary the Most Holy.

There are few of her children who really love her.

Live this moments of grace which the Lord grants you, since they are the last for humanity.

Brothers, the Lord is granting special graces to those who are collaborating so that these messages will reach as many of your brothers as possible.

Mary Most Holy warned you that graces are already running out.

I sincerely thank all those who remember this date with love and who take part in this moment of blessing.

(at this moment S. Antonio transmits a message for some present)

Come prepared with the confession next November 24th.

I bless you in the name of the Father, the Son and the Holy Spirit.

Peace and love.

Message of Mary

Dear and beloved children, tonight I invite you once again to pray for Pope Francis.

Pray, pray.

Beloved, understand that the time for conversion is ending.
 Children, it is necessary to put these messages into practice.
 It is necessary that they would be divulged all over the world.
 My children other countries need to know that I, the Mother of Jesus, am appearing in an extraordinary way here in the Land of the Holy Cross.
 These events of mine must be taken seriously, starting with you, beloved children.
 Here I cried for two years calling my children, through my tears, to a true conversion.
 Since 2006 I have not been crying in my images spread around the world. Be vigilant! Do not be deceived by the evil one.
 Ask for discernment from the Holy Spirit.
 Get converted, beloved children, as long as there is time.
 I love this city a lot.
 Do not wait for the great sign to return to God, because for many it will be too late.
 I repeat: also Brazil will suffer, due to the disobedience to my messages too, given from 1936 in Pesqueira, where I appeared to Maria da Conceição and Maria da Luz, who today are with me in Paradise.
 Already when Maria da Luz was alive, the Lord gave countless graces through her prayers. Soon she will be recognized as Servant of God.
 Horrendous and obscure punishments are coming to this country.
 Help this Mother save souls for God while there is time.
 Convert, convert.
 I am the Queen of Peace - the Mediator of all graces.
 I bless you in the name of the Father, the Son and the Holy Spirit.

Beloved children, do not forget to pray for my intentions and also for the souls in Purgatory.
Beloved children, pay attention to my appeals.
Children, today I invite you to pray for all the pilgrims who visit my sanctuary in Nsimalen, in Africa.
I chose this place to show to my children in Cameroon, my love as your Mother and my concern for religious vocations.

[Message of Jesus](#)

My children, be always faithful to me.

Beloved, comfort today, with your sufferings and prayers, my Heart wounded and oppressed by the offenses which come to me in these days of profane festival: the carnival.

Reconcile yourself with me as long as there is time.

After drinking and having fun in profane dances, now they try to cancel their faults by practicing abortions ...

Oh, how great is my pain.

My Heart is torn and crushed by women and men without love in the heart.

The crime of abortion draws my just anger on you ...

This is the cry that is freed from this Heart that loves you so much.

Difficult and even terror days are approaching for this nation.

[Message of Mary](#)

Beloved children, peace!

Today I invite you once again to pray in the family.
Without prayer there is no peace among you.
Start from this very day to pray.
Beloved, in this time of Lent my Heart bleeds to see how great the practice of abortion is.
Help me in my agony.
These messages of mine must reach the ears of all humanity.
This nation needs to become worshiper of God and not of Satan.
Little ones, it is enough with so many offenses to my Son Jesus.
Say no to the practice of evil.
Do not practice charity only during Lent, but every day of the year.
Get up, wake up beloved children.
I am the Mystic Rose, the Virgin of Sorrows.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Mary

Dear children, peace!
Remember with me once again the appearance to my daughter Amalia in 1930 with the title "Our Lady of the tears".
Little ones, do not forget to pray the rosary of tears daily.
With this rosary you have received countless graces from my Divine Son.
Beloved, I wish to guide you to my Jesus.
Pray, pray, pray.
The priests who will spread this rosary of tears will see their works produce fruits and the love for their own vocation (ministry) will increase.
I am the Mother of Sorrows - the Mystic Rose.
I bless you in the name of the Father, the Son and the Holy Spirit.

I thank you immediately for the prayers!
I thank my children for all the goodness of their hearts and for their obedience to the appeals made in these apparitions.
I am very happy to see the statue dedicated to the Angel Itanael completed.

I invite you to joyfully pray the novena of the "Blessed".

Message of Mary

Beloved children, it is with joy that I come from Heaven tonight to invite you to pray with more abandonment.
Do not stop praying, whether it is a crown or the whole rosary.
It is necessary to pray with trust and devotion.
I am the Mother of Love, the Mystic Rose.
My children, today remember my first appearance in "Rincão de São José".
Today I ask you for prayer, penance and holiness.
Beloved, walk with me, I am your Immaculate Mother.
It makes me very happy the "yes" of my sons of Taquari and of the region towards my apparitions in that place.
The signs were not many, but the love and the trust in me were enough for the Lord to realize great works in that place, so despised by many.
I wish to see you saints.
There is little time left for conversion, my children.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Mary

My children, peace.
Today I invite you to pray for peace in your families.
Pray together!
I repeat: without prayer you will not obtain victory or peace.
Let my messages produce fruits in your hearts.
Do not refuse my appeals.

Message of Mary

My children, peace!
Beloved, totally surrender to me, who I am your Mother.
I am the Queen of Families, the Mystic Rose.
Little ones, it is necessary to pray that peace may unite your hearts.
Be careful, my children, not to despise the spirit of prayer.
Little ones, every time you read my messages, remember my love for each one of you.
Be faithful to my appeals, persevering and active to my calls as your Mother.
Beloved, look for what is necessary for your salvation.
I also invite you to pray for priests.
Pray, pray, pray.

Give them good witness.

I get very sad when I see a believer who drives a priest away from the path of the Lord.

It is necessary to pray and to repair as long as there is time.

Beloved, it is necessary to pursue steadfast in the direction which I have indicated to you.

Do not leave yourself in spiritual poverty.

Stop serving evil and do good.

Many say: "but that priest also did this or caused it"

But you already knew that the priest was weak and therefore you helped him make such mistakes. Be careful!

Whoever moves a priest away from the path of the Lord will not have happy days unless he has repaired with love and prayer.

Do not listen to rumors and talk of the enemy.

I will help you, I am your Mother.

I bless you in the name of the Father, the Son and of the Holy Spirit.

Message from St. Michael the Archangel

Dear friends, I, Michael, prince of the heavenly army, invite you to pray for the Church of Christ.

Be strong and steadfast in your faith.

Beloved, those who turn away from prayer will not be able to stand what is to come.

Do not stay far from prayer and Communion (Eucharist).

Listen to what the sky has to say in these years.

In the Church of God there will be scandals and even martyrs ...

Use the Celestial Commander's rosary as a combat weapon.

Beloved, remember today my first appearance to Eduardo on March 26th, 1996 here in Itajaí.

That evening I showed how much God loves you ...

How much Mary Most Holy cares for this humanity.

I also showed the sword of fire and the cup almost overflowing with oil and blood.

This is the time of the sword.

Trial time, bitterness and difficulty.

The time of the cup is about to come ...

Pray until there is time.

What value are you giving to Mary's messages?

There are still many who ignore her messages and appearances.

Many of you continue to be blind and live in a sea of mud (sin).

How many wonders has the Lord already granted to the world through his daughter, Maria?

Pray.

March 27, 2014 - Itajaí / SC

Message of Mary

Beloved children, peace!

My children, keep praying the rosary, alone, with your family or in a group.

Continue to pray and you will be transformed into the love of God.

In prayer you will also find protection and answers to several questions you have asked me.

Little children, it is necessary that you adore my Son Jesus.
In many tabernacles He is abandoned, especially now that in many churches the tabernacles have been put aside.
It is necessary to pray and a lot.
Be steadfast in the faith.
Pay attention! The enemy tries to deceive you in many ways.
Give good witness.
I am the Mystic Rose - the Mother of the Church.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Mary

Beloved children, peace!
I invite you to pray for those who do not love God.
For those who prefer to serve the world instead of the Creator.
My children, in this Lent it is necessary to pray and be more vigilant, because the dangers of the evil one have caught many by surprise. Therefore, keep praying and paying attention.
I repeat once again: when you love, love shines on your face and spreads to those around you.
It is necessary to love children, without any interests.
God is love and his love is infinite.
I invite you to fast more often in honor of the Holy Wounds of Jesus.
I am Mary the Queen of Peace, the Mother and the Mediator of all Graces.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Mary

My children, peace!
Today I invite you to pray for the central-west of Brazil.
My messages have not been taken seriously.
But, as a good Mother, I look at each of my children with compassion.
Pray, pray my children.
Dear children, keep on praying for Pope Francis and all those around him.
Watch out for people who talk bad about priests using the name of God. Pray for them!
The Lord will intervene at his time.

I repeat: a fact that happened in the capital of the nation will attract the attention of many.
I am the Immaculate Conception, the Mother and the Queen of Brazil.
Today remember with me my first tears in the city of Itajaí in 1995.
How many blessings and signs in that place!
Do not waste this time of grace in which humanity is still living.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Mary

Beloved children, peace!
Little ones, remain in the grace of God by confidently praying the rosary and the prayers which I, your Mother, have been teaching you during these years.
Children, I would like you to prepare yourselves to come by the cenacles here in my sanctuary.
Confess and make preparatory novena so that this day would be unforgettable for each of you.
My Angels will help you in this task.
Do not forget to bring the rosary and the flowers to adorn my image.
On this day of my first appearance at Tre Fontane (Italy), I, your Mother the Queen of Peace, would like to bless you in the name of the Father, the Son and the Holy Spirit.

Message of Mary

My children, peace!
Tonight, I, your Mother, the Queen of the Rosary, would like to invite you to pray the rosary.
It is necessary to pray, beloved children.
Without prayer, you will not have victory in your daily life.
Prayer will help you stay closer to me, who I am your Mother.
Do not neglect the prayer in your homes.
Pray also at work.
I also invite you to pray for those who are here.
If young people are in danger, it is because some people are still lacking to pray for them.
In this Lent, there were few people who wished to do penance for the Wounds of my Jesus.
Beloved children, it is with love that I come from Heaven to be with you on this day.
It's necessary to be humble and be bearer of peace in your homes.
Keep on giving good witness of this sanctuary.
Pray for Pope Francis.
Soon Brazil will have two new blessed.
Pray for priests and their intentions.
Pray for children and young people.
I am very happy to see you here today in my sanctuary.
I love you.
I bless you with all my love in the name of the Father, the Son and the Holy Spirit.

Note: today our Lady has left, on a petal, her image with the seer close to her.

17 April 2014 - Curitiba / PR

Message of Mary

My children, once again I come from Heaven to ask you to continue to pray for children and young people.

I am the Mother of Love, the Queen of Peace.

Beloved children, listen to what I am asking of you.

Pray and thus you will be protected from the snares of the evil one.

Fear and terror loom over Europe, if you do not pray.

Little ones, it is necessary to pray that the work of the Lord may be accomplished in this nation.

The Church of my Divine Son keeps on suffering divisions ... if it does not unite with the movements within it, the foundations of the headquarter will be shaken.

I bless you in the name of the Father, the Son and the Holy Spirit.

Beloved children, peace!

Dear children, on this day of prayer, I invite you to pray for those who are being persecuted for having pronounced the Name of Jesus and also my Name.

Beloved children, I wish you to continue to pray in a group.

Pray in the family.

I wish to help and comfort you right now in this moment, which humanity is living, because it does not have true peace in its heart, which is Jesus.

Consecrate your families to my Heart.

Message of Mary

Beloved children, peace!

I invite you once again to pray in the family.

Today I also invite you to pray for my children of Ecuador.

Remember the events of the last century in the capital of Ecuador, beginning with some children of the Jesuit college when, from my image of the Sorrowful Virgin, I moved my eyes and cried.

How much joy these young people gave me.

Today I return to insist on the prayer for children and young people.

Beloved, the enemy is already believing to be victorious.

He tries to feed the hearts of young children, giving them violence and polluting their minds with scenes of war.

Pray, pray. The innocence of young children is almost disappearing. And with it the vocations to the priesthood will also disappear.

Pray for priests. Many of them are leaving their sacred obligations, leaving the work that had been entrusted to them by God.

My children, do not stop praying for your parish priest.
Do not lose heart in front of the daily difficulties.
I am the Mystic Rose - the Mother of Sorrows.
I bless you in the name of the Father, the Son and the Holy Spirit.

24 April 2014 - Curitiba / PR

Message of Mary

My children, it is necessary to pray and so much.
Humanity needs to wake up from the sleep it is in.
Many of my children are turning away from God every day more.
This saddens my Motherly Heart.
Little ones, start from this very day to pray and love your neighbor!
Beloved, Brazil needs to abandon itself in the hands of God.
It is necessary to abandon the false gods and truly love the One who gave his Son as the only Savior, Jesus Christ.
I repeat: abandon the false philosophies and give good witness of true Christians.
I bless you in the name of the Father, the Son and the Holy Spirit.

27 April 2014 - São José dos Pinhais / PR

Message of Jesus

Beloved son, on this day when the Church commemorates the feast of my Mercy, I, the Lord, would like to pour out the balm of my Love on all those children in need of my Mercy, especially the sick.
Little lily, you can not do anything without my permission, all you have to do is ask to me.
My children, offer me all your difficulties and complaints.
Beloved priests, share with your Savior some of this sadness that many of you feel: to be abandoned by those close to you.
I am at the side of every priest.
Be mine and faithful to your Savior.
Beloved priests, I ask you: which of you would be willing to give up on yourself to follow me?
Who would be willing to suffer slanders, rejection and contempt for me?
Who would be willing to take the Cross with me for the salvation of many souls and the reconstruction of my Church?
Jesus of Nazareth.

27 April 2014 - São José dos Pinhais / PR

Message of Mary

My children, continue to pray for the headquarter of the representative of Peter (Vatican).
When I ask to pray, I do not mean only one Hail Mary, but a crown or the whole rosary.
Coldness and rebellion continue to infiltrate this holy place, causing pain and sadness to my Heart and to the Heart of my Son Jesus.
Beloved children, the strong in the faith will remain standing.
Pray, pray with faith and trust in the Lord's mercy.
Today I also invite you to pray for the seers of Medjugorje.
As a mother I worry for each of you, my children.
Pray for the health of these elect.

Messages of the Archangels Gabriel and Raphael

St. Gabriel:

Beloved, today I invite you to pray for those young people far from God's eyes. Far from understanding how much God wants their good and their salvation.

It is necessary to educate adults to pray for children and young people.

Many of them are in danger.

The evil has already taken possession of many of them.

I am the Archangel Gabriel, the announcer of the Good Gospel.

Help the Mystic Rose to be honored as a Queen, for she is the Mother of the Son of God, the Celestial Commander, the Queen of the Angels.

Listen carefully to what the Archangel Raphael has to say.

St. Raphael:

Dearest, continue firmly on the path traced by the Heavens.

Pray for those who die every day without repenting of their sins.

Pray in the family.

Live in peace with nature.

Continue firmly with the Mystic Rose.

Peace.

Beloved, you have my peace!
You will always have refuge in my Heart.
This Heart that was opened by a soldier's spear.
This same Heart spreads on this humanity rays of love and mercy.

India, why do you persecute my children?
How many Christians have been killed in this country.. (India).
This has caused a lot of sadness to my Heart.
Beloved Indian children, great suffering will come, get ready.

My son, my Heart has been and always will be the balm of relief for those who want to rest.

Beloved, do not be deaf to my messages.

I am Jesus, I am among you.

I know times are bad.

Beloved, do not stand still in front of so many works which need to be done.

The time you have left is short, so you need to work fast.

Beloved, detach yourself from matter.

If you are mine, why do you get attached to the earthly goods?

Beloved disciples!

Behold, I stand at the door of your hearts.

The moment of the fulfillment of the messages given by my beloved Mother in Paris and La Salette is approaching.

I am very happy to see the Church full of faithful.

Beloved disciples, be more "the leaven".

I want each one of you to be one with me.

I do not want to find you asleep.

Even here in Brazil my Church will be shaken.

The seminaries and convents will be persecuted and many will move away.

Withered souls will fall.

Be steadfast, my disciples.

Be strong, my bishops.

Do not leave me.

I am Jesus of Nazareth.

Message from St. Anthony of Padua

15 years of apparitions of St. Anthony of Padua

Peace and love.
Dear brothers in Christ.
By order of Our Blessed Mother, our beloved Mother, I present myself once again among you.
Tonight I invite you to pray and make sacrifices for the clergy.
Beloved, kneel in front of the Cross and ask for forgiveness of your sins.
I ask you for prayer and sacrifice also for the Pope.
Beloved, strengthen yourselves with the strength which comes from above.
In these last days, Mary Most Holy was very sad for humanity, seeing her children seek earthly goods and forget the things of heaven.
Seek holiness with love.
Humanity is obscured by sin.
Be careful! Woe to those who try to seduce a chosen son (priest) loved by Mary.
Who seduces a priest must repair this serious sin.
(in this moment, as in past years, S. Antonio transmits some messages for the people present)
I ask you for prayer and penance.
As devotees of Mary, the Mystic Rose, you must pray more for the Pope.
Few are those who pray for this intention.
Look no signs where there are not. Be careful!
Put into practice the requests made by Mary Most Holy in these apparitions.

(at this time St. Anthony blesses the objects of devotion and also the bread)

I bless you in the name of the Father, the Son and the Holy Spirit.

On this day, spent in prayer, I wish in a special way to pour a shower of graces on all of my children who bring my Medal of Grace, better known as Miraculous Medal, name that has spread among my faithful children to this apparition.

Once again I invite you to use this medal, which I made known to Catherine Labouré in 1830, with devotion.

France continues to receive graces through my appearances.

Beloved, pray the rosary every day.

I am your Mother, the Queen and Mediator of all graces.

I bless you in the name of the Father, the Son and the Holy Spirit.

Message of St. Joseph

22 years of apparitions of St. Joseph

I want to bless all those who, in a special way, have put into practice the requests made by Heaven in this nation.

I repeat: through my Heart, many souls will be saved.

Jesus, my Divine Son, has granted a good death to the souls devoted to my Heart.

During these centuries, I have been an advocate with my Son Jesus.

Know, dear ones, that all those who will spread with love the devotion to my Most Chaste Heart, can be certain that I will write their names in it.

Do not stop honoring my bride, Mary Most Holy.

The Church is going through difficulties, but I am her universal patron.

The enemy will have no victory over it.

In times of difficulty, call me.

Just as I helped Mary and Jesus, so I am helping the Pope for the triumph in the near future.

Pray for the Church of my Jesus.

Pray in the family.

I am Joseph the carpenter.

[Message of Mary](#)

MESSAGE ON PURGATORY

Dear children, it is with joy that this afternoon I come from Heaven once again to be with you.

Today I invite you to pray with me for the souls in Purgatory and also for France. Pray, pray.

Beloved, souls need your prayers and sacrifices.

Many of them shelter for failing in charity.

Many of them are there for lack of charity towards others.

The souls who go to Purgatory do not want to go back to earth.
 There they recognize the existence of God.
 There are many levels in Purgatory. Some lower, others higher.
 Souls rejoice over the prayers and sacrifices you make for them here on earth.
 Souls do not go to Hell from Purgatory.
 There are many souls who remain hundreds of years in Purgatory because there is no one to pray and make sacrifices for them.
 Little ones, the most effective and rapid way to let souls out of Purgatory is the Holy Mass.
 It's necessary to have Masses celebrated for them.
 In Purgatory they recognize the value of holy Mass.
 They rejoice when someone has Masses celebrated for them and also when you attend Masses celebrated for them.
 Do not forget: when you celebrate Masses for the souls, in those days you must participate at the Mass.
 Another effective prayer for souls is the Crucis Way. It is my Divine Son Jesus who redeems them.
 Another very powerful prayer to bring out souls from Purgatory is the holy rosary.
 Beloved children, it's necessary to make sacrifices for the souls.
 God begins to make many hearts feel that they are leaving, long before dying, already as a sick man, especially those who have been devoted to my most chaste spouse Joseph and those who have trusted the prayer of the "15 prayers." God already puts true repentance in these hearts.
 Many go to Purgatory because they did not abandon themselves to the love of God. They did not accept God's will.
 For this reason it is important that, on the death bed, someone from the family or a friend prays to the sick person, help him to entrust himself in the hands of God and tell him how much God loves him.
 Many sick people deny God. This causes them to go to Purgatory.
 Many need to go through Purgatory. It is not God's will that these souls pass through purgatory, but they need to know God.
 Beloved, many sick people offend God by saying:
 - Why God punishes me, why am I like this? God does not love me. Why does not God make a thief sick instead and he gave me this disease?
 Beloved children, this, causes sadness to God ...
 When God calls a person, he has only a few minutes to accept God's will and recognize God.
 When the soul recognizes the love of God, he brings it to Heaven.
 Children, you need to be very charitable.
 Charity repairs the sins committed.
 Many souls were brought to Heaven knowing that God would call them. They practiced charity with love and self-denial. God accepted them with love and accepted them in Heaven. This applies to everyone, beloved children.
 Heaven is for Catholics, Protestants and other confessions.
 But with the Catholic Church it is easier to enter Heaven, because many Catholics accept me as a mother and also my Divine Son present in the Eucharist.
 In other Churches there is more charity, but they do not recognize me as a mother of humanity.
 Souls are not happy when you cry for them. [Do not?] You must be nostalgic!

Beloved children, when you go to a funeral, do not chat and instead pray. Invite those present to the prayer. At that moment the soul needs prayer, not conversations.

There are many people attached to the material and also to the body. God allows some people to remain attached to the body for a few minutes even after death so that they realize that in life they were attached to matter and they forgot the spiritual life.

In those moments the souls need your prayers.

In those moments they would like to communicate with you, but God does not allow it. In those moments they see that you are chatting rather than praying for them.

Beloved, if you want to go to Heaven, start practicing charity today.

When a soul is saved through your prayers and sacrifices, that soul becomes a happy soul. From that moment the soul begins to intercede for you.

In Purgatory, souls are not alone. The angels visit them so they do not feel alone.

The Archangel Michael often visits Purgatory with the angels.

Also I visit Purgatory to bring out souls.

When a person takes his own life, God gives ones a few minutes to recognize Him. But many of them deny God. Others recognize him and go to Purgatory.

For many it is necessary to go through Purgatory to purify oneself.

Children, It's necessary to encourage people who are about to die and bring them the love of God.

You must prepare them so that they do not blaspheme God during suffering.

At that moment, suffering serves as a purification. Many do not accept it or even their family members.

There are many souls in Purgatory, children.

There are many children ... priests and mothers in Purgatory.

Message of Jesus

Eduardo: I was at Mass in the Mother Church of Itajaí / SC, when I heard the angels sing: ALLELUIA! Suddenly, Jesus layed down the following message.

Beloved, bend your heads.

Divine Justice is already in place in many countries ...

The weeds will be burned and the truth will be shown in the Church.

Pray for the one who was chosen to occupy Peter's place.

Those who sit next to him murmur against him.

The truth must be shown to everyone.

The secret doors must be opened ...so that they will start walking together.
The matter must be removed.
It does not give peace.
Only I can give it.
I leave you my peace.

Message of Mary

THE MYSTIC ROSE OF LOUVEIRA

Beloved Son, on this warm Tuesday morning, I, Your Mother the Mystic Rose, wish to reveal something more about the events that took place in the parish of San Sebastian in the city of Louveira in the State of São Paulo.
As I had already told to you a few years ago, the city of Louveira was not known at national level. It began to be known and to become a pilgrimage destination only when, from my image of the Mystic Rose, on the night of the 13th of February 1990, copious tears began to come down. Initially the witnesses were few, but with the passing of the days, the sign attracted to the House of the Lord, thousands my lost children.

Many were healed and converted.
Many religious witnessed my motherly tears, scattered from that image.
At that time, science witnessed the tears flowing from the eyes of the image.
The result of the tests confirmed that it was human tears.
But the human being, in his greed, made many lose faith.
In some cases, the evil one forces people to do or perform reprehensible actions.
Yes, I wept in the picture. But not like many people have told.
Pray for the soul of Father Antonio Spoladori.
His pride made the science come to a conclusion: "tears are false"!
The first positive exams were discarded.
Pray, pray my children.
Pray for those who spread the title of the Mystic Rose.
There is a need for prayer and much unity among the devotees of this exorcist title.
Do not judge, but pray.
Pray for the soul of the bishop Roberto Almeida.
I am the Mystic Rose - Mother of all Sorrows.
I bless you in the name of the Father, the Son, and the Holy Spirit.

27 years of apparitions

Beloved children, on this day so special, in which we remember my first appearance to this child, I invite you to join this great army of which I, the Queen of Peace, am the Commander.

Do not be afraid to be part of this army.

My little ones, pray for Pope Francis.

Pray for the priests and also for this one here (monk).

Divulge these messages to all my children.

Today I ask you for prayer and penance.

Form groups of people who pray the rosary in the houses.

I thank you for the presence of each child here today in this cave.

I give to all of you my motherly blessing.

Continue to pray for young people and children.

I bless you in the name of the Father, the Son, and the Holy Spirit.

Note:

It was a sunny day, with no clouds. A few minutes before the apparition, the angels appeared to prepare the arrival of Our Lady.

Clouds began to show up and the sun was hidden.

A few minutes after, our Lady appeared inside the cave, where a gentle scent of roses spread out. Our Lady blessed the rosaries, which remained impregnated with perfume.

On one of the petals blessed by Our Lady, the image of the Virgin Mary appeared with her hands clasped.

Just after the end of the apparition, the rain fell down on all those present. Everyone had witnessed these good signs.

Message of Mary

Beloved children, I am the Immaculate Conception - the Queen of Peace.
Children, it's time for grace. It's time for conversion.
My son, remember with me 19 years ago in the cave at Barreiro*, my signs and my appearance in that rustic and distant place.
I know that your heart was beating fast in seeing my love for those people so needy of the grace of God.
During the apparition I showed my love for all, giving a nice sign in the sun among the clouds.
Also today I invite you once again to consecrate your family to my mother's care.
Do every day the act of consecration which I taught in 1996, the Consecration to the Queen of Peace and Mediator of all graces.
With this practice, everything that belongs to you, becomes my own. And to you, being mine, it becomes easier to teach the way of holiness.
It's necessary to abandon everything that moves you away from the Lord.
My children, you have to do this consecration act every day.
Divulge this grace that I give to you to your friends.
I bless you in the name of the Father, the Son, and the Holy Spirit.

Notes: On March 1st, 1996, at Barreiro, our Lady appeared at about 18. On the place there were a hundreds of people. During the apparition, the Virgin Mary gave a sign in the sun. The clouds were colorful ... a beautiful sight never seen in that place.

During the Blessing of Our Lady, a fresh drizzle fell on everyone present. That day, our Lady joined Eduardo to Barreiro's children-visionaries.

**In 1995, at Barreiro, our Lady 's four-children apparitions began to: 11-year-old Juliano, 10-year-old Elizete and Janaina, 3-year-old Aline.*

CONSECRATION OF OUR LADY, QUEEN OF PEACE AND MEDIATOR OF ALL GRACES

Virgin Mary, Queen of Peace and Mediator of all graces.
I offer and consecrate my body and soul, my heart, everything I am, all I have, to you.
I consecrate to you for love and to love.
I rely on your maternal care.
I want, as Jesus did all his life, to honor and remain united to your heart.
I want above all, Mother, to imitate your purity, your humility, all your virtues.
I want, Mother, to offer myself and fight for your orders for the Kingdom of God to come.
Mother, accept my act of consecration, take me as your son and offer me ,together with Jesus, to the Heavenly Father.
Help me to be faithful to death.
Oh clement, oh pious, oh sweet Virgin Mary. Amen.

26th May, 2015 - Heede/Germany

[Message from Our Lady](#)

My dear son, your affection for me makes Me so happy. I am the Mother of Love, the Queen of the Universe.
My son, humanity is submersed in a world of pleasure, materialism and vices.
Many of my children are slumbering and straying away from God.
My son, those who say they are faithful to My Son Jesus are becoming indifferent towards their neighbour.
Beloved children, you have to pray to comprehend what I am telling you.
Here in Heede in the 30s, I invited my children to pray.

Few put into practise this request of mine.
War came and along with it much destruction and weeping.
Again today, I ask you once more for prayer and penitence.
Beloved children, Heaven exists as well as Hell where evil souls go to.
Be careful of false philosophies that deny the truth of the Gospel.
These philosophies are spreading throughout the whole world, even in the hearts of my favourite children. Pray for the priests.
Pray for Pope Francis. Help him to stand firm on the chair of St. Peter.
My children, you are living in very confused times, which do not allow you to notice the great dangers humanity is facing.
Great suffering is about to be cast down upon all humanity.
Some countries will suffer more than others.
My children, in many places there will be money, but no food to buy.
Children, take good care of nature.
I repeat: few places will have potable water.
Wherever there are springs, streams and lakes, look after these water supplies and conserve them for your children and grandchildren.
Many of my children will die of hunger and others because of future war.
It is necessary to pray the rosary in the family.
It is necessary to teach children to pray, as they must be conscious of what is going to happen in the near future.
More and more, Earth is becoming a dangerous place to live.
However, I, the Queen of Peace, want to prepare your hearts for the arrival of my Divine Son.
My loved ones, a great flash in the sky will show everybody that the coming of My Son Jesus is near.
Pray, beloved children, for those who dedicate themselves to the health of others.
I want to reveal here that diseases are going to increase and a new virus will appear and cause many to die.
It is necessary to pray the rosary of Mercy at this very moment.
The disease will come from the East and spread into the West.
Children, in this period Heaven will be sad with man.
Know beloved children that the cure for many infirmities is not in medicine but in faith.
My children, the experiments of science will bring destruction for many of my children.
Many countries shall have no peace and seek refuge in the Americas.
Brazil much loved by me, prepare your barns.
Children, do not let the faith extinguish, which is the Light that illuminates your home.
If the Light goes out, it will become Hell here on Earth. This is the reason to pray in the family.
It makes Me so happy to see my children drawing on this Sanctuary of grace.
Pray, pray for those who work here with love, so that the messages left here may reach many hearts.
Pray for those who proclaim peace.
Pray for China, Korea, Japan, Iraq, France, the United States and Israel.
The fearful Eagle will not find a resting place on Earth because of what is happening on Earth.
I am your Mother and that's why I am telling you all this today in a special way for this son's journey to Heede.
My loved ones, night will turn into light because of the weapons.

At this time, you should pray and if possible spend more time at home with your children and friends.

Seer: And the relatives, Our Lady?

Many of them will already betray you.

Beloved children, be sure to pray for the Pope. Pay penitence for him.

Put into practise what I have asked of you.

The rock will fall out of the sky...

Many will have nowhere to go. Only my Heart shall be safe refuge for these children.

Do not be afraid. I am your Mother and I shall protect you.

Priests, my sons, pray while you can.

The Pope asks for help. You should look after him well and also assure his protection.

The enemy is lurking and from inside the great temple, he signals to the ones he has chosen to destroy faith.

Pray the rosary together with Me. I am the Queen of the Universe.

Beloved children, as I have already said science will discover a cure for a certain disease, but only for a short time, as it will become more aggressive.

The continent of Africa needs to raise altars to God, and only then shall the Light of My Son Jesus shine abundantly.

I do not want you to be fearful, but rather give yourselves to My Son Jesus as soon as possible.

Children, all this punishment could be avoided if there is prayer, love and charity among you.

Brazil, promotes peace among nations.

Practise charity with love and selflessness.

My children, hate is the seed of evil.

Love beats evil. Love one another.

Seek peace.

The wind shall blow strongly over the church, but I the Mother of the Church, the Mystic Rose, I am beside my children.

In 2017, there will be great happenings for the church and for the faith of many of my children.

Pray for this intention.

With affection I bless you in the name of the Father, the Son and the Holy Ghost.

May 28, 2015 - Münster / Germany

Message of Mary

My children, the rosary is a powerful shield against evil.

Pray every day the holy rosary for peace in the world.

Know, dear children, that the rosary is a true anchor of salvation.

My children, turn away from false philosophies and ideologies.

I invite you to pray for Turkey, pray.

My Divine Son continues to be alone in the tabernacles.

Few are those who keep Jesus company before the tabernacle, in prayer or in silence.

I am the Mediator of all graces.

Your faith must be strong. Have courage!

Walk steadfast on the rock (Church), do not be afraid.

Fear makes you cowards and prevents you from walking.

Be of Christ.

Repent.

I bless you in the name of the Father, the Son and the Holy Spirit.

29 May 2015 - Dülmen / Germany

Message of Jesus

Beloved, the day goes by and the night comes and with it the dangers, the assaults of the evil one.

Once again, you are in front of my love for humanity.

Meditate my Passion on this Friday.

Take the crucifix in your hands as Anna Katharina did and call me who I am your friend and brother.

I am the Divine Providence.

You were here for the first time in October 2012, on a Tuesday.

That day I had arranged your visit to this place.

Today, on the last Friday of May, I want you to be here once again.

These two dates have been chosen by me, it's not you who planned them.

Tuesday and Friday, remember my Passion.

My Heart is torn.

I'm looking for people who love me.

I sent my Holy Mother to this nation in different cities.

Today these places are most often in a state of neglect.

How many graces are my children losing because they do not go to these holy places of blessing.

What do you do? Shut up?

No!

Proclaim aloud, beloved, the coming of my Mother in these places.

Kevelaer, Heede, Dülmen, Heroldsbach, Marpingen and many others..

There are more than 30 places that my Holy Mother visited, leaving her message of conversion.

I am Jesus.

May 30, 2015 - Düsseldorf / Germany

Message of Mary

Beloved son, prayer sanctifies the human being.

Today I ask you for prayers for all those gathered here with devotion and prayer.

Pray for all my children who turn away from my Son Jesus.

Their souls are in danger if they do not return back to God.

Human beings are allied with the enemy every day and their hearts are full of hatred and rancor.

It is necessary to pray for those who are moving away.

Pray for all my children who are engaged in the work of salvation.

I am the Lady of All Nations.

Love is lacking in the hearts of my children.

There is hatred in their hearts.

Its necessary to be steadfast and obedient to my call.

Pray for priests, bishops and religious.

I bless you in the name of the Father, the Son and the Holy Spirit.

Beloved children, I return to tell you that, through the rosary, peace will reign in the world.
I have been with you every day. I am your Mother, the Lady of the Rosary.
I ask you for prayers especially for this nation. My young people are in danger not only on the streets of this nation, but also in their homes.
The lack of respect and love grows more and more in the houses, facilitating so the sowing of the vices, that are leading my young people to the streets in search of drugs and prostitution.
This saddens me a lot.
I ask you to help me to save so many of my children who are far from God.
Pray also for the Church.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message from St. Anthony of Padova

Peace and love.
Dear brothers in Christ.
I, Anthony, once again, present myself among you to invite you to pray.
I invite you to repair the sins committed within the Church.
Beloved, it is necessary to pray; but it is also necessary to make sacrifices for the priests, so that they will seek for holiness.
The Church is going through many scandals.
To not hear or see these scandals, it is necessary to pray and make sacrifices.
Pray, pray for Pope Francis. It's necessary to pray for his health.
Pope Francis can not renounce, beloved ones.
Heaven is saddened by the contempt for the messages of the Mother of Heaven.
If you continue to despise them, the Lord will no longer allow Mary Most Holy to come to earth.
I am also here to invite you to holiness.
I am here to invite all the spouses to fidelity and mutual love.

Beware of deception of the evil one.

He is preparing traps for the spouses.

(at this moment St. Anthony speaks for some pilgrims)

Beloved, if you dedicate your time to the Lord and also to the Mother of Heaven, believe that you are already accumulating graces and be assured that your ticket to Heaven is assured.

Persevere in your prayers.

I bless you in the name of the Father, the Son and the Holy Spirit.

November 26, 2015 - São José dos Pinhais/PR

Message of Mary

Dear children.

Tonight I invite you once again to the prayer for peace.

Pray also for my priests. They need your prayers and your support.

Beloved, it is necessary to pray for priests.

The prayer of all of you is necessary for my priests.

From now until the end of the year, many of them will renounce to the priesthood, but with your prayers my Heart will triumph.

Satan is tempting many of them and, without the divine grace, the intervention and the prayer, many people, including priests, will walk in the darkness.

Pray, pray, pray.

I bless you in the name of the Father, the Son and the Holy Spirit.

3 December 2015 - Itajaí / SC

Message of Mary

Dear children, I am your Mother the Mystic Rose - the Queen of Peace.

Today I invite you once again to pray for the Church. Without your prayers, many priests will not be able to stand their trials.

They will not be able to stand in front of the storm of disbelief that the world is going through.

Beloved, it is necessary to pray also for the children. These little angels suffer violence already inside the houses.

This saddens me a lot.

My children, our adversary tries in every way to get you away from me.

Be careful not to fall into the enemy's claws.

Today I ask you also prayers for the souls in Purgatory.

Pray, pray a lot for them.

Be obedient to your Mother's appeals.

I am here to guide you to Jesus.

I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Mary

Feast of the Immaculate Conception - Time of universal grace

Our Lady appears with the archangels Michele and Raffaele.

Dear and beloved children, on this very special day I, your Mother, would like to be closer to you.

My heart is saddened to see so many children who turn away from the love of God.
 Children, during these years I have been showing to you the remedies to be used, of which the Holy Mass, the rosary and the scapulars.
 You are wasting these graces.
 Little ones, I will not come so often on the second Sundays of each month, but I promise to be here on Thursday and on the 12th and 13th of every month.
 Beloved, it saddens me that few have prepared for today. You are losing the graces.
 Until midnight the sky will be open and the Lord will let a shower of graces fall on humanity through my hands and my Heart.
 Little ones, why so much hardness of heart towards me?
 Little ones, there is no prayer, love and charity towards others.
 When I look at some people present here, my Heart is saddened to see so much indifference towards me.
 Beloved children, give good witness of my presence among you.
 There are many people who will be free today.
 Dear children, look at no signs where there are none. Beware of fanaticism.
 Pray, pray for discernment.
 Dear children, at this moment I am visiting some houses ... and I also wish to bless all those who have contributed to the painting of the chapel and the purchase of the roses.
 My children, I wish that a picture will be made with my image of the Mystic Rose the Queen of Peace.
 I wish that in the right hand there would be the rosary and around my waist a blue band.
 Dear children, it is necessary to have respect for the blessed objects.
 Be careful where you put them.
 Women need to come back to use the veil in moments of prayer.
 With the use of the veil many have already obtained graces.
 Give witness of these graces.
 Pray, pray a lot for the health of Pope Francis.
 Pray for the clergy and also for the bishops of Brescia (Italy). *

(at this moment St. Michael speaks for some pilgrims)

Beloved children, continue to live with love the messages I have already left here.
 Put my requests into practice.
 Take care of the thirteen-days prayer, the vigil on Saturday, the rosary every day, the prayers for priests, bishops and laity. Prayers for Pope Francis and his sanctification. Prayers for children and young people.
 Pray for the sanctification of families.
 Continue to form prayer groups in homes.
 Beloved, I wish you to get a reliquary in which to put the rose petal on which I made my image appear together with that of Eduardo.
 I thank you for the presence of each of you here in my sanctuary.
 With love I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Mary

(18 years from the first tear of the statue of the Mystic Rose)

Dear children, Peace, I am your Mother, the Mystic Rose.
This afternoon I present in a special way my sweet Immaculate Heart.
I am delighted by the presence of each of you here gathered.
I also pray for those who had wished to be here today.
I invite you to entrust all the worries to me, who I am your Mother.
Am I not your Mother, am I?
I thank all those who in November prayed with love for the souls of the Purgatory.
My dears, charity erases many sins committed during your existence here in the earth.
Beloved, it is necessary that charity would be practiced with love and much humility.

It must come from the heart and not by imitation.
I also invite you to make frequent use of blessed water in your houses.
Each time you sprinkle the blessed water, it reaches Purgatory.
This makes the souls very happy and at the same time gives them a fridge.
Today I wish to talk in a particular way about the dried roses.
How many people have passed for this sanctuary and have not persevered in prayer.
Today I see them as a rose drowning without water, without prayer.
For long years I have been pointing to the path of holiness, to the path of salvation.
There have been only few who, with love, have agreed to go this way.
It is a journey of solitude, sadness and even abandonment.
Happy are those who have been persevering over these 18 years.
Children, many of them are yet no longer in the midst of you.
My Divine Son has already called them.
Today they intercede for you here on earth.
You know, my children, that these souls no longer want to come back.
Pray, pray so much.
Beloved children, the lack of charity and humility, as well as vanity, have brought thousands of souls into purgatory.
Do silence in your hearts ...
(At this moment, Our Lady prays for each one of us present)
I bless you with love in the name of the Father, the Son and the Holy Spirit.
Pray in the family.

Message of Mary

Peace!

Dear children, pray many rosaries for peace.

Do not stop disclosing these messages that I have brought to humanity over these 29 years.

Children, be good witnesses.

Pray, pray.

My children, hundreds of priests have already been to Medjugorje, where they witnessed signs and experienced special feelings.

Pray, pray.

Many have returned to their cities, their parishes, but have not understood the meaning of my message left there.

Millions of pilgrims have already visited Medjugorje, but few are practicing Medjugorje's requests.

Be alert to my messages. What was my request?

My message to Medjugorje is this: I want to make this parish an example for all the other parishes of the whole world.

I speak to my privileged children who have already been to Medjugorje: open the doors of the church

so that the faithful can enter and pray.
So that they may worship my Son Jesus present in the Eucharist.
Form groups of people who pray the rosary in your parishes.
I want every parish to become a small Medjugorje.
To my children who have already been to Medjugorje I say: be good witnesses.
Begin living in the parish the prayer and adoration that you have experienced in Medjugorje.
Pray, pray.
Grace is passing through your lives.
I am the Mystic Rose - Queen of Peace.
I bless you with love in the name of the Father, the Son, and the Holy Spirit.

Message of St. Michael the Archangel

Dear son!

In this afternoon of prayer I would like to invite you to keep in peace near our Queen, the Mystic Rose.

Heaven is present in this place chosen by God.

You need to persevere in your daily prayers. If you do not pray you will be defeated.

Many people here are moving away from the Lord's way, to attend places where God is not there.

Starting from today, bring roses to offer to the Queen of Heaven and Earth.

Do you want to receive grace?

Then lay down what you have most valuable at the feet of Mary Most Holy. Lay your heart.

(at this time S. Michael speaks to the people present)

Message of Mary

Peace, peace.. peace I ask you this evening, my children.

Your Mother is the Lady of the Rosary, the Mystic Rose.

It is with joy that I come down from heaven to be closer to each one of you. I love you.

If you pray, my children, peace will come upon humanity.

Pray, pray, pray many rosaries in the family and also in the churches.

I call each of you, once again, to be part of this great army, already in battle.

I ask you to be witnesses of these appearances, which are already going to an end.

My children, each time you come here, I, your Mother, am with open arms to tell you: trust in my intercession.

My children, remember today my appearance at Cova da Iria in Fatima, to the three shepherds.

These shepherds give each of you a great example of courage, prayer, and total trust in me.

If you have not yet taken them for example, take them today as a good example.

In front of me there are these great saints.

I invite you once again to live my messages every day.

Put them into practice.

Be good witnesses of true Christians.

Take the rosary in your hand and pray every day.

Pray for the Pope and also for priests.

Pray, pray, pray.

I'm very sad when I see one of you who criticizes them.

Pray and do penance for them. Evil tries them out every day.

My children, I am the Mystic Rose - Queen of Peace.

Listen to my voice calling for peace in the world.

Pray for Venezuela, France, Mexico and Brazil, this country which I love so much.

My son, make this message public:

The sign that God will give you on Garabandal Mountain will be a sign of warning for humanity. It will be a sign to call for conversion.

It will be a sign for the purification of men.

The sign that God will give you on the hill of Medjugorje will be a test of the love I have for each of you.

You do not have to wait for these two great signs for conversion, to return to God.

Come back to Him today, in the arms of God who loves you and wants you close to Himself.

Little children, I'm here with open arms. I love you.

Operate so that this work grows every day more, because as grace it is immense.

You have to acknowledge this, my children.

Come quickly next to this Mother.

I look at each of you this evening.

I intercede for each of you.

Be bearers of peace. Bring peace wherever you go.

Meet soon those who do not know me. Go to those who are moving away from God's eyes.

Pray, pray, pray a lot, my children.

Again I repeat: do not seek God where there is not.

Ask the Holy Spirit to discern.

I bless you with love in the name of the Father, the Son, and the Holy Spirit.

Message of Mary

Dear children, Peace!

Practice all these messages I've brought to the world over these 29 years.

I have nothing more to say. Many rosaries need to be prayed.

You need to realize that peace will only come when everyone will recognize that God is the Lord and Creator of everything.

Do not loose heart.

Your Mother is the Mystic Rose - Queen of Peace.

I bless you in the name of the Father, the Son, and the Holy Spirit.

Message of Mary

I ask you for peace and prayer.

I invite you to pray for peace. I invite you to pray for Italy, especially for pilgrims who are today in Crosia (Italy), where I appeared in the 80s and 90s.

I'm the Lady of all Sorrows, the Mother of Pure Love.

Everything started on a Saturday of 30 years ago, on May 23rd , 1987, in the abandoned chapel where little Vincent met me.

I chose Crosia to restore many hearts. To ask souls for peace and love.

With a heart full of love I also chose Anna, who started to talk to me.

Remember, my son: I am the Mother of all Sorrows.

The world is advancing towards a tragic event when many Christians will cry.

Hereby I ask you: do not judge.

Only God has all the authority to judge.

But know that God is also Love.

Those who have already experienced this love know how to forgive and love each other.

Pray a lot for Italy.

An earthquake of great magnitude will shake Italy.

My tears at Crosia showed concern and also love for all these children who are far from me.

Many of you are far from understanding the projects of God for this generation.

I just ask you to pray and to love one another.

Do not be afraid, my children.

Pray for priests.

I bless you with love in the name of the Father, the Son, and the Holy Spirit.

24.05.2017 - Itajaí/SC

Message of Mary

Dear son, I am the Mother of Consolation.

This evening I invite you to pray for peace in the world.

My requests shall be taken seriously.

Be careful not to desecrate what is sacred.

My son, today, remember my first appearance at Oliveto Citra in the abandoned castle of the city.

I did not appear to one person but to many.

With my Divine Son in my arms, I invited everyone to pray the rosary for peace.

I have invited all to pray for the governors of the nations, especially for those who believe to be the world's masters.

Signs and liberation were enough to prove my presence in the castle.

Thousands of pilgrims witnessed signs in the sun and scent of roses.

Today I repeat, pray for the great nations which keep the peace in their hands.

God will intervene ... science will not give an explanation of the prodigy that has happened.

Only the humble and those who are praying the rosary will understand the call of God.
Come back quickly.

Pray for Spain, Italy, Japan, Norway, China, Denmark, the United States, and Mexico.

Pray also for Germany not to have dark nights without the presence of God.

Pray, pray, and witness that I am your Mother, the Lady of Consolation and Peace.

I bless you in the name of the Father, the Son, and the Holy Spirit.

25.05.2017 - Itajaí / SC

Message of Mary

Peace, peace, peace.

I'm the Lady of Peace.

Today I invite you to pray the rosary for peace.

The world is increasingly moving towards self-destruction. Pray!

Today, remember the great miracle in Sabana Grande (Puerto Rico) on May 25th, 1953. The sun, in its great magnitude, began to pulsate and emit colored rays over the clouds. This great sign showed my real presence at Sabana Grande.

I am the Mother of Love.

I am happy when I see children who welcome my messages and my signs.

I can say that Sabana Grande responded affectionately to my apparitions.

In April 1991 I gave a new sign to tell to everyone:

I am close to you and I warmly welcome the requests of every son who relies on me with love and trust.

I am the Lady of the Rosary.

Beloved, with these signs God wants to show the authenticity of my apparitions in Puerto Rico.

Pray, pray so much.

Although it is difficult for many priests to believe in this apparition, I say:

I love Puerto Rico.

I poured on the well colored rays, blessing the water of that place.

The miracles which have taken place using this water are proofs of my affection and love towards every child who goes to that place with faith and hope.

Be pure in your heart, only in this way you will understand what is the meaning of my visit to Sabana Grande.

Grace, hope and faith.

With love I bless you in the name of the Father, the Son, and the Holy Spirit.

Message of Mary

Dear son, peace!

This evening I invite you to pray for peace, for the Church, and for my projects for this nation too.

I am the Mystic Rose - Lady of Peace.

It is necessary to pray many rosaries for humanity to find true peace.

This peace that only my Son Jesus can grant upon you.

Give good witness.

Practice all the messages I've left over these nearly 30 years.

I'm here, dear children, to transform your hearts.
 I wish for the salvation of all.
 I wish for this generation to already begin to have real peace.
 I wish you to love one another and also that you forgive.
 I want to be closer to each of you.
 Little children, in order to obtain faith, it is necessary to pray.
 I am your Mother.
 I'm here to guard each of you.
 Beware of the new era that is among you.
 I'm here to make sure you win.
 I also invite you to pray for Ecuador, Panama and Venezuela.
 I'm here to protect you from the danger which comes close to Brazil.
 Love the neighbor.
 Look for conversion every day.
 Repent.
 My children, it is time to wake up for a new life.
 A life of prayer to God.
 Pray the rosary in the family. Pray the rosary in the churches.
 I call once again each one of you to join this great army.
 Do not be afraid.
 Fear paralyzes you and does not let you pray.
 Always carry the rosary with you. This weapon will defend you from evil.
Little children, a true Christian can not live these laws where many are living.
The law on abortion, euthanasia and homosexual marriage.
You must be true soldiers of Jesus.
 I'm coming to Brazil to invite everyone to the conversion.
 Do not distract yourself when you pray. Be careful when praying the holy rosary.
 Pray for children and young people.

Message from St. Anthony

Beloved, I Antonio, sent by the celestial Mystic Rose, the commander of this great army already in battle, I desire you to persevere in your daily prayers.
Do not stop praying every day the rosary which, with love, Mary the Most Holy has insisted on asking you in these apparitions.
I see that many of you are not collaborating so that this work will cross the borders.
Beloved, do not lose your heart.
Be vigilant and pray often the prayers taught here.
Give good witness.
The Church is moving towards a great martyrdom. It is necessary for people to be aware of it and thus fortify themselves in prayer and in the Eucharist.
Pray, beloved.
To those present: I wish you to form a barrier with prayers, to strengthen yourselves in faith.

The Church rises to the Calvary ...

(at this time St. Anthony transmits some messages to the pilgrims)

I bless you in the name of the Father, the Son and the Holy Spirit.

Dear children, today again I wish that you pray for peace.
I am your Mother the Mystic Rose - the Queen of Peace.
My children, do not lose heart in the face of daily difficulties.
I am with you even if you do not see me.
My children, it is necessary to pray to understand the project that God has for each one of you.

Message of Mary

Beloved son, pray for this place.
Place where, one Sunday in May 1954, I came down from Heaven to be closer to these children who had begged God for me, his servant, to visit them.
Beloved son, in this place I let myself be seen by little Carlos.
A simple and courageous child. A child who, from the beginning, said his yes to my call.
Here I invited my children to live the commandments of the Law of God.
Here again I urge you: get united in prayer, let it rise to the Father.
Beloved children, convert until there is time.
Forgive all those who, during these years, have mistreated you.
Here I give the grace of reconciliation between nations.
I love you.
Persevere in prayer. Do not lose heart in the face of daily difficulties.
I bless you in the name of the Father, the Son and the Holy Spirit.

** between 16.05.1954 and 16.01.1955 our Lady appeared to an 11-year-old Portuguese boy, Carlos Alberto da Silva Delgado, who died in 1980 in an accident.*

Message of Mary

Dear son, peace.
How much love I feel in your heart!

Tonight I invite you to the prayer for peace for humanity.
Peace is threatened.
My children, if you do not pray, very soon there will be a great war.
And with it many nations will suffer.
Many of my children will perish.
Only the strong ones will survive.
Pray many rosaries for peace.
Many of my children are not working for the peace that I so much desire.
Reconcile among all of you.
From here, once again, I call for conversion.
I am the Lady of Peace, the Mother Mystic Rose.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Jesus

My little lily ...
How much joy I feel in seeing you here today on a pilgrimage to this city, chosen by me to show my love for each one of you. In the person of Alexandrina* I was able to express my love for all those who approached her, even though their hearts were hardened.
Alexandrina was a victim of love for this humanity.
Her suffering has caused many hearts to return to Me ...
Let me love you.

*Message received in the chapel of the Holy Sacrament, in the sanctuary of Blessed Alexandrina.
Immediately after the message, the door of the chapel closed by itself, strongly.*

For families that no longer pray.
Families who no longer believe in the Mercy of my Jesus.
This saddens me a lot ... but I keep insisting that you pray the rosary for all of humanity.

30 YEARS OF APPARITIONS

My children, peace.

With the heart overflowing with joy, I come down from Heaven this afternoon to tell you that God loves you very much.

I wish, my children, that you continue to pray for peace.

Do not get tired of praying the holy rosary for peace.

My children, do not lose heart in front of difficulties.

Believe in my presence among you.

I wish to tell you that I will not appear on Thursday as a fixed date, as it has been so far.

Know, dear children, that in these 30 years I have been dedicating myself to each of you.

As a mother, it is my duty to take care of each one.

Put into practice all the messages I have been bringing to you during these 30 years to encourage you to convert.

Do not get tired of praying for one another.

Pray for peace in your families and also for the projects I have started in 1988.

My children, if one day I will no longer appear, do not lose heart, because I will always be with you.

I will be here every day to welcome every child who will come to ask for advice or also for a grace.

I thank each one of you who today are welcoming my request.

Prayer, sacrifice and penance.

To my little ones (*the volunteers of this work*):

Do not lose heart.

Do not let the flame of faith, which I have been cultivating over the course of these 30 years, extinguish.

I keep repeating: give good witness.

The greatest sign I can give you today is my presence among you.

Pray for the Church.

Pray for your families.

Pray also for the rulers of this nation.

Pray for this sanctuary.

At this moment, I pray for each one of you.

(*at this moment many people enter in the rest of the spirit*)

To the children who live here: give good witness to those who will come here. You are all responsible for one another.

Little ones, do not get tired of bringing my statues into the houses.

Disclose my messages.

Bring my messages to every heart which does not yet know my true love.

I am the Mother of Love, the Lady of the Mystic Rose.

Message of Mary Most Holy

Peace, my children.

Tonight I invite you to stay more in prayer.

It is time to live in silence and also in prayer.

The world lives in the expectation regarding the great events already prophesied by many mystics of the past.

But know that God has everything under control.

As a mother I wish to tell you: do not feel alone neither defenseless.

I am always close to you, even in times when you do not pray.

But I would be very happy if you would pray the rosary with love and trust.

I am Mary the Mystic Rose - the Mother of Love and of Peace.

Pray together to find peace and consolation in front of your difficulties.
 Also Jesus, my Divine Son, wishes you to enter into the profound silence of prayer.
 Speak less and pray more, my children.
 Put into practice the messages that, during these 30 years, I have been transmitting with so much love and affection.
 They are messages of conversion.
 My arms are always open when you approach me.
 I wish to welcome each of you who have myself as a Mother.
 And even those who do not accept me, I pray for each one of them.
 Love each other.
 Do not waste this time of grace which I, the Servant of the Lord, have been bringing to the earth.
 Do not look for new messages or signs.
 You already have enough to give good witness.
 I love you.
 Beloved children (the priests), do not lose heart. Have courage!
 The Mystic Rose is the Mother of the Church, the Mother of the Priests.
 Give good witness.
 Give your life to my Jesus.
 I am the Mother of Sorrows and Martyrs.
 Be obedient to the teachings of my Divine Son.
 Confusion and persecution will always be part of the Church.
 But this should not be a reason to deny Jesus.
 There are already many Judas in the Church, don't be one more.
 Beloved children, **believe in the presence of Jesus in the Eucharist.**
 Help the faithfuls to get closer to Jesus and to me, who I am your Mother. Mother of men and Mother of the suffering people!
 My children, do not be involved by false catastrophic prophecies. Live love!
 I invite you once again to disclose these messages.
 When you do not divulge these messages, it is lost Graces which do not reach your brothers.
 Help them!
 I bless you with love in the name of the Father, the Son and the Holy Spirit.

Message of Mary Most Holy

On this day I ask you for peace and prayer.
 My children, once again I invite you to pray for peace in your families.
 I have noticed that in many houses the rosary is not being prayed. Pray, pray.
 Children, it is necessary that you pray willingly.
 Prayer will show you the way of holiness.
 Without prayer you become weaker and weaker to be able to walk the path that leads you to Jesus.
 This path is often tight and full of thorns.
 Without prayer you will not be able to bear it.
 I am your Mother the Mystic Rose, the Queen of Peace.
 I am here to help you and ensure your victory.

Do not lose heart.
Have courage, my children.
In front of so much suffering, praise God with songs and prayers.
I bless you with love in the name of the Father, the Son and the Holy Spirit.

Message of Mary Most Holy

My children, peace!
On this day, I wish to call you to be true instruments of love and peace.
My children, do not lose heart.
Walk safely near me who I am your Mother.
My children, with your prayers, it's necessary to transform the church from stone into a church of the heart.
Pray, pray a lot.
In these times, apostasy is increasing more and more inside the church.
You can not remain silent in front of so much barbarity.
The word of my Divine Son is not given with respect to the faithfuls.
I am the Mystic Rose - the Mother of the Church.
My children, have courage!
Remember: when faith will be minimal on earth, God will stretch his powerful hand.
Little ones, I ask you to be careful.
Strange voices are talking inside the church.
Be careful not to fall into the great confusion...which could lead you to the loss of faith.
Beloved, listen to my voice coming from Heaven.
Be persevering.
Do not get fooled.
Do not get upset in front of so many scandals in the church.
I am already preparing many of you for the big day.
Do not turn away from me who I am your Mother.
Be careful, do not look for signs.
Little ones, the harvest is great, but the workers are few.
Pray, pray, pray.
Open your hearts to the love of God.
Continue to disclose these messages.

Punishments are happening in many nations.

Your sins have wounded the Heart of God.

My Heart is saddened to see many of my children move away from the path that I, the Mystic Rose, have been indicated to you during these 30 years in which I am coming to Brazil.

Pray, pray my children.

Many are not taking seriously the messages I am sending to Brazil. Many are wasting the graces.

Do not get dispersed. Do not get distracted when you pray.

Pray the rosary together.

Live the messages I am transmitting.

I love you.

I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Mary the Most Holy

Peace!

Dear children, tonight I invite you to pray with me for your families.

It's necessary for you to know that our opponent tries in every way to destroy the families.

You will get the victory with the prayer

It's necessary to pray the rosary in the family.

I know that many are not putting into practice my request: the rosary.

Many families are taken by surprise because they lack of the foundation, which is the family prayer.

Today I also invite you to pray for my chosen children, the priests.

There are still very few people who pray and do penance for them.

Pray, pray a lot.

Pray for the Pope and for all the seminarians.

I thank you for prayers for the souls of Purgatory.
Keep on praying for them, not just this month, also during the other months of the year.
Get ready for December the 8th when I will come with the Archangels (...)
I am very happy when I see a child who puts into practice my requests.
I bless you all in the name of the Father, the Son and the Holy Spirit.

How much sadness in my Heart ... until when you will keep on with these barbarous attacks?

The time you have left is running out ...

The time you have to repent of your sins is going to an end.

You are walking towards your self-destruction.

I have already warned you that God will intervene in order not to destroy this generation.

Search for God as long as you can find Him!

Beloved child, peace!

On this day, I invite you to pray with me for peace in your families.

The attack on the Sacred will leave many faithful scared.

Pray for my children the priests.

On this day, I wish to invite you in a special way to the prayer for this nation.
My children, I am your Mother the Immaculate Conception – the Mystic Rose.
My children, as a Mother, I wish for you to intensify your prayers for peace.
This nation, so loved by me, is in danger.
Remember today my appearance in the cathedral of Montichiari / Italy, to my daughter Pierina.
How many graces my Divine Son has granted and grants here today too.
Know, my children, that these graces are passing through my Immaculate Heart.
Many here today have been touched by the flame of my Love.
But, my children, it's necessary to persevere in prayer.
Don't lose heart!
Today I see that many are getting away from the grace of God.
Do not allow this grace to go unnoticed in your lives.
Pray, my children!
Once again, I thank for all those who are working for this sanctuary with love.
There is still time to work on this project.
I am your Mother, the Immaculate Conception, the Queen of Peace.

When you return to your homes, bring with you these graces which I have sent down upon you.

A heart full of grudge only spreads hate.
I am the Mother of Love.
Witness through your "yes" everything you have seen here today.
Always come to drink of this water, which is the grace of my Divine Son.
I bless you with love in the name of the Father, the Son and the Holy Spirit.

My children, it is necessary to put these messages into practice and also to live them in your everyday life.

Continue to form groups of people who pray the rosary in homes.

Pray, my children, for Pope Francis.

Message of Our Lady

Dear children, peace!

Do not stop praying the rosary. Pray!

I am the Mother of Sorrows, the Mystic Rose.

In this moment, I am praying on every child present here.

My children, today remember my appearance to Anathalie Mukamazimpaka on January 12th , 1982 in Kibeho, enabling her to do many penances for humanity.

At that time, I remembered to pray the rosary of the Seven Sorrows to prepare my children for what was coming for that nation (Rwanda).

Few put my request into practice.

I showed signs and I prophesied what was going to come.

Years later, a great genocide struck Rwanda.

In 1994 thousands of Rwandans were massacred by their compatriots.

Genocide was the great sign for the Church, which believes in my appearances in Rwanda.

It saddens me very much to know that only tragedies make men believe in my messages.

I am the Virgin of Sorrows.

Today I am coming to Brazil once again to invite you to pray the rosary of the Seven Sorrows.

Pray with faith, my children.

Something sad and terrible threatens Brazil.

As at that time I made the rosary of the Seven Sorrows known to my daughter, warning of the massacre that would take place in Rwanda, today I come to warn the Brazilian people that something

terrible threatens this nation.
Pray, my children.
I love this nation and I cry for it too.
Put my request into practice.
I also invite you to fast.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Our Lady

My son, peace!
In this time when Mass is forbidden in churches not to create gatherings, it is necessary to give witness of true Christians.
Many still hide, afraid to show their faith in the living Christ.
Do not be afraid. I am not saying you have to gather, but have the courage to face this moment with trust and prayer.
To the religious I say: do not have an artificial faith. Pray with trust. Pray with your heart. Believe, God is listening to your prayers and at the right time will act. Do not be an ungrateful or a suspicious child towards the love of God.
My children, be as salt in this land where the human being no longer believes in the action of God.
During this time of suffering, what would you be without God?
Many believe they can do it all alone. No! They are wrong and far from understanding what God provides for each of his children.
Be like the prodigal son. Admit your mistake and truly repent.
Only in this way you will have forgiveness and inner peace.
The moment is still of grace and purification, my children. Don't waste it on the passing things that the world is offering you.
Pray! I see that many are feeling lonely and sad. Do not allow discouragement to take place in your hearts.
Live my messages. All the answers are contained in them.
Pray the Holy Spirit to understand.
I am the Mystic Rose – the Queen of Peace.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Our Lady

Beloved children, peace!
It is necessary to pray and a lot, not only during this period in which humanity is experiencing difficult days;
you have to get aware that without prayer it is difficult for me to help you.

Many churches are closed, but you can pray in the family asking God for his Mercy.

Pray, my children.

God is preparing you for the future.

I am your Mother the Mystic Rose, the Queen of Peace.

Renew your consecration to my Immaculate Heart every day.

Put my messages into practice.

I bless you with love in the name of the Father, the Son and the Holy Spirit.

Message of Our Lady

My children, peace!

I wish your hearts would get united with my Immaculate Heart.

I am your Mother, the Mystic Rose, the Queen of Peace, and it is my wish that everyone would be bearers of Grace.

My children, be sowers of the Gospel.

Raise your voice and also the weapon – the rosary – and report the crimes which are taking place in the Church of my Divine Son.

My army has to rise up against so many injustices.

Be witnesses of Grace.

The Lord does not despise a repentant heart.

Pray in front of difficulties.

Know that this generation has greatly offended our Sacred Hearts.

Many ask: how long will God tolerate?

Know that signs are already been given to all mankind.

This is a time of Grace, but many do not realize it.

Pray with the family.

I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Our Lady

Peace!

My son, I am your Mother, listen to me.

I have been speaking over the years and I will keep speaking to you but, my children, try to listen to the requests I have made in São José dos Pinhais.

I tell you: in difficult moments, do not get afraid.

Today I am announcing times of pain for the whole Church.

The world must follow the way of prayer, penance and material detachment.

I invite you to pray for the priests.

Times is not good, be vigilant.

Pray and walk together with your Mother.

My pain keeps being immense for my beloved children, the priests, who, instead of performing their duties, betray my Son Jesus. Many have become Judas.

My children help me to pray for the priests.

My coming here is to ask for prayer and penance for my children the priests.

I am the Mystic Rose, the Queen of Peace.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Our Lady

Peace!
Dear children, on this day, I invite you to pray with me for the peace of mankind.
I bring to you the Graces of my Divine Son Jesus, which are deposited on my hands, so that I, the Mystic Rose – the Queen of Peace, shall release them to all of you.
Do not get tired of praying. Put my requests into practice.
I wish this nation to listen to my voice.
Many of my children are responding to my requests, to my messages.
I wish for my chosen children to accept my messages.
I didn't come here to joke, but to speak seriously!
Time for many of you is short. I am here to prepare you for the great persecution which my chosen children will suffer due to their witness of faith in Jesus, my Divine Son.
I know that many will not be able to bear the persecution and will deny their faith, but I am with you.
Keep persevering in the paths of faith to be led to eternal life.
My chosen children, it's necessary to listen to my requests.
Chosen children, love opens all Father God's doors to you.
My call as your Mother will open those doors which have been closed because of your negligence or pride.
I intercede for you, my children.
My children, turn away from all that does not belong to God.
Greed, avarice, pride, ingratitude, disobedience, hatred, lack of forgiveness and all that does not belong to God.
My children, pray and a lot.
Many ask me: why so much prayer?
I answer you: look around, dear children, and you will see many sins spreading.

The human being needs inner peace which can be obtained through prayer.
My messages are to be heard.
Listen to me, my children.
I bring you, in my Heart, special Graces.
Look at your Heavenly Mother.
Contemplate my Immaculate Heart today, which is very outraged in these times.
Always pray, looking for more and more conversion.
I bless you with love in the name of the Father, the Son and the Holy Spirit.

Message of Our Lady

Peace.

My children, how much my Immaculate Heart rejoices at seeing you gathered in prayer in this Shrine of mine today.

My children, it is necessary to pray.

Without prayer, you will not be able to remain standing.

The time has come when stone-hearted are criticizing many of my children, especially you who are by my side, listening to my appeals.

My children, time is running out. It is necessary that you convert, that you change your life, that you change behavior.

The day is coming when God will give proof of his existence, but many will not have time to convert.

How many messages I have already left, warning that terrible days would come for the Church.

Today it climbs the Calvary ...

Today I am here to invite you to meditate on the Holy Wounds of my Divine Son and also to repair the injuries which are on his body.

There is a lot of hatred in the hearts, this saddens me a lot.

Do not forget to consecrate yourselves to me.

I ask you for prayer, fasting, penance and obedience.

My children, the Church, in a short time, will try to crown a man who has thoughts of destruction.

My beloved children, you have to pray a lot.

If you have the means to go to the Holy Land, go there soon. Walk in the footsteps of my Son Jesus.

My children, I ask you to listen to my requests.

The dragon is not sleeping.

He stands up against this generation.

Prepare yourself for the times you live in and don't look back.

Raise your eyes upward.

I wish to see you all praying by my side.

Pray, my children.

Always ask for the Holy Spirit.

I bless you in the name of the Father, the Son and the Holy Spirit.

Peace!

My children, this evening I invite you to pray for peace in your hearts.

Once again, I ask you for prayer and penance.

My children, you need to do more penance.

Don't waste your time, occupy all the empty time with prayer.

I thank you for the prayers and penances done yesterday.

My children, very soon God's plans for this nation will realize, but it is necessary to pray and a lot.

I see there are many hardened hearts.

Pray and trust in my intercession.

I am your Mother, the Mystic Rose, the Queen of Peace.

I'm here even if you don't see me.

I pray at this moment for each of those present.

I bless you in the name of the Father, the Son and the Holy Spirit.

[Message of Our Lady](#)

Dear children, peace!

Today remember the day when I, your Immaculate Mother, raised my statue, already dark in color*, out of the water.

Today my Heart is filling with joy at seeing so many of my children here, in my Shrine.

My children, do not waste time with things of this world.

Live my messages in everyday life.

Children, a heart full of resentment sows only hatred.

Forgive all those who persecute you.

Forgiveness heals the body and soul.

Pray!

My children, it's necessary to love yourself.

Love builds and also heals.

I am the Mystic Rose, the Mother of Love.

Learn from your Mother to pray and also to forgive.

My children, pray for this nation.

Live the message I left you on January the 12th.

I also invite you to pray for priests.

I pray for everyone present and I also bless all my favorite children.

I love each one of you...

I bless you in the name of the Father, the Son and the Holy Spirit.

[Message of Our Lady](#)

I invite you once again on this day to pray for peace in humanity.

Pray, my children.

Many of my children have comforted me with their prayers.

I join in your prayer. I am with you every day.

My children, our enemy is throwing hatred and resentment into the hearts. Do not let yourself be seduced by the devil.

My Heart is afflicted with great pain, due to the situation in which many of my children find themselves.

My children, many of you are getting further and further away from the way of the Lord. Many are losing faith at seeing the situation in which the Church finds itself.

I tell you: do not get discouraged.

Pray the rosary* every day with love and trust.

Do penance for the priests.

My children, disclose these messages of mine.

Pray for the Church of this huge nation.

My Heart fills with pain at seeing the great danger in which Brazil is finding itself.

My children, if there won't be a great return of humanity to God, a great and frightening punishment will fall onto the world.

Bring my message to everyone.

Consecrate your hearts to my Immaculate Heart. I love you.

I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Our Lady

My children, peace!

Keep on praying for the souls of Purgatory not only during this month, but during all months. With your prayers, thousands of them will be released.

My children, every day the disbelief grows in the hearts of my children.

Pray and do penance. Be firm in prayer.

My children, pray for the Church. I share with you my suffering, my crying in seeing the situation in which many of my chosen children find themselves in the Church.

Little ones, keep my words in your heart.

Gather yourselves interiorly and meditate on my messages.

Today I also invite you to pray for the countries of: Honduras, Nicaragua and Costa Rica. Pray!

I bless you in the name of the Father, the Son and the Holy Spirit.

Message of Our Lady

Dear children, peace!

On this day, I invite you to strengthen your prayers and penances.

My children, be careful!

I see many of you still keep negotiating with God.

My children, starting from November 24th, all of you will be called into question for not having prayed for the Church.

Strengthen the prayers for the whole Church.

Get ready your hearts for the apparition of Saint Anthony, which will take place on November 24th. Children, I repeat: a big enemy of the Church has armed himself to attack the churches in Europe, especially in Italy.

This attack has been neutralized with the pandemic.

Remember, in this pandemic time, it's necessary to pray in the family.

God has everything under control.

Thank you for being here today in prayer.

For many of the questions you have, the answers are in the messages I have been leaving here over the years.

Pray, my children.

I bless you in the name of the Father, the Son and the Holy Spirit.

[Message from St. Anthony of Padova](#)

Peace and love.

Beloved ones, this evening I invite you to pray for the Pontiff.

Those who condemn the Pope create a schism within the Catholic Church.

Be careful not to spread slander against Pope Francis.

This generation has much offended the Sacred Hearts.

It is necessary to repair.

Dearest, pray for North Korea.

Many leaders have become cruel and death awaits many nations through their hands.

Many nations will experience the burning flame.

I ask: where will the nations find relief for their own woes?

God's hour is coming to put into practice his justice.

The punishments are at the door.

God's orders will be all carried out.

When you hear a loud, different thunder, you will know the Warning has come.

Fear not!

It is necessary that everything will happen.

The ruin will come to many cities.

This time that you are living in, is a time of grace.

Live the messages of the Sacred Hearts.

I bless you in the name of the Father, the Son and the Holy Spirit.

Dear children, peace!

I invite you to pray for the priests.

In these times, the devil is fiercely attacking the Church in all the ways and his target is my chosen children, the priests.

I am the Mystic Rose, the Mother of the Church.

I came to São José dos Pinhais to prepare yourselves to be true soldiers of prayer.

I am here to assure you that the victory is of Jesus.

Stay with Jesus. Otherwise your faith will die.
Open your hearts to God's love.
I repeat: this is a time of grace.
My coming to São José dos Pinhais is already a sign of God's love.
Not only for Brazil, but for all humanity.
Pray in front of all difficulties.
My children, the wheat is split from the weed.
Be the weath, for it is malleable and bends easily, while the weed is very stiff and never bend. By being wheat, you will have a better chance of being touched by God.
By being weed, it becomes more difficult to be touched.
Think about this message.
I need hands to work on this work.
Time is running out. Pray.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message from Jesus

Dearest friends, double your prayers with sacrifices and fasting.
Remain constantly with me in prayer, and keep me in mind whatever way you may take.
I am your God.

Pray for your brothers who are far away from me.

The devil sows, with anger, false teachings, creating false religions. Know, beloved ones, that these sects were prophesied in the scriptures.

Beloved ones, beware! These sects are spreading more and more in humanity in order to split my children from the way of the truth.

Many say that in them the truth is found.

Be careful, the devil tries to drag everyone into the error, even the elect.

This generation has known me; however, refuses to accept me.

I have been offering myself every day in the Eucharist, but the world has refused me. If it refuses me, it also refuses my peace.

In my very own Church, the spirit of rebellion has been spreading, reaching the seminaries.

Many (seminaries) formators have taught young people false philosophies and in this way they have killed the faith of many seminarians.

The Thirteen-days Novena (of the Mystic Rose), which my Holy Mother has requested for, is to make holy vocations flourish.

That is why it's necessary to keep on praying it every month, so that, these young people (seminarians) will continue to persevere in the faith and on their journey towards the priesthood.

Many trainers have turned the scriptures into a questionable book. The rebellion has been spreading among many seminarians because of their formators.

Who is a liar if not who denies the truth contained in the Scriptures? This is the antichrist, who denies the Father and the Son. Whoever denies the Son does not even recognize the Father; whoever confesses the Son recognizes the Father.

The fire will fall down and many will not have any place to hide.

Be faithful and true.

So here is the time of purification.

I leave you my peace.

Message from Our Lady

Beloved son, peace.

I invite you to pray the rosary not only for the families, but for all humanity.

Pray, pray for those who persecute you.

Reconcile with your neighbor. Forgive.

You know that I easily forgive.

Pray for those who fight the Church of my Son Jesus.

I invite you to the prayer and the inner silence.

Evil has entered many hearts.

Resentment and lack of forgiveness provide the devil with an opening to enter your hearts.

Go to confess often.

I love you.

I bless you in the name of the Father, the Son and the Holy Spirit.

Message from Our Lady

Peace!

This morning I invite you to pray for Brazil.

This nation has outraged the heart of my divine Son Jesus with its sins and its disobedience to God's Word.

The time you have left for conversion is running out.

Be careful.

Pray also for my chosen children, the priests.

Many of them are still in danger.

I am here to invite you to the Holiness.

Greed and lust have removed many priests from the way of God.

Pray, my children, for your parish priests.

The devil tries increasingly to put one against the other, even in disobedience to the Church, criticizing the greatest figure of the Church, the Pope.

My children, do not get tired of praying.

Pray in the family.

This is the time to pray together.

I also ask you to take care of nature.

God, every day, gives you air and water.

Take care of the water.

Do not pollute the springs.

Come and drink the water which I have blessed here in this Shrine.

Today I ask you for prayer, sacrifice and penance.

Pray also for the seminarians and religious.

Message from Our Lady

Beloved son, peace.

Once again I invite you to pray the rosary for peace.

On this day, I ask you for prayers for my chosen children.

It hurts me so much to see the downfall in which my chosen children, the priests, are walking.

Pray for the Church to get healed and the sheep (the faithful) to return to their flock healed.

Pray, my children, so that my chosen children may holily celebrate.

Come, my children.

The road is long, but the path is not impossible.

I have already warned that few are those who will survive this journey, because faith is little and many do not listen to God's call.

On this day, I also invite you to the prayer for the souls of Purgatory.

Pray, pray.

I ask you for prayer, charity and penance.

I bless you in the name of the Father, the Son and the Holy Spirit.

Message from Jesus

Beloved, I, the Lord, speak to you through this son.

Listen carefully: rebellion is growing in this generation.

Disobedient children.

How much hate is still occupying so many hearts!

Over the centuries, my Holy Mother has been multiplying her appeals, her warnings.

Few have been listening to it.

I still see many who rebel and blaspheme her apparitions.

But I tell you: nothing will delay the warnings that will fall on many countries as thunder.

Humanity has refused to pay attention to the notices my Mother has left in her visits to the various countries.

Satan has an evil plan: to win many for his army, leading them to believe that they don't need my Mother's intercession, that they don't need Her.

Satan has spread the spirit of rebellion even within my Church. Cardinals against cardinals, bishops against bishops, priests against priests; cardinals, bishops and priests against the Pope.

Satan will not get tired until he sees everything in dust, into ashes.

Beloved ones, it is necessary to strengthen yourselves with encircles of prayers.

Be vigilant and pray.

I leave you my peace.

Message from Our Lady

Beloved children, on this day I invite you to pray for the families. Pray, pray my children.

On this day, I also invite you to conversion. A complete conversion, turned to God.

My children, pray with love and trust.

God can give you everything you ask him, but many of you seek God [only] when you are sick, when you have problems and for the daily difficulties.

Many even say that God is far away or that he does not listen to your prayers. But this is not true, my children.

It is you who live apart from God.

Don't lose heart. Pray and stay with God.

If you turn away from God, you will not receive graces.

Today is a day of grace.

I am your Mother the Mystic Rose- the Queen of Peace.
I bless you with love.

Message from Our Lady

On this day, I invite you once again to take refuge in my Immaculate Heart, which is a safe home in these confused times.
My children, be vigilant: the enemy is trying to get rid of the sacred and to ridicule the image of God,

for example by exchanging crosses with puppets imitating Christ and images of Saints as caricatures, which make laughing those who look at them.

Faith is a subject of derision for many.

Respect for the sacred is being lost and this leads to a lack of faith in the Creator.

Be vigilant, my children, the enemy is lurking and trying to steal the faith of many of you.

Pray and don't get deceived by our opponent.

Prayer continues to be the lamp to guide you in these stormy times.

The darkness of the faithlessness and the rebellion have turned many away from the Lord's path.

Pray.

I bless you with love.

Beloved, you have my blessing.

Today I invite you too to pray every day the consecration that my beloved bride, Mary the Most Holy, left in this city on the evening of August 21st, 1996.

Always call Mary, your Most Holy Mother.

Holy Mary was a true Bride, caring and devoted to the Lord’s plans.

Message from Jesus

Beloved one, listen and write what I will tell you.

My Mother was born prepared to receive her Son Jesus, to give her Son.

The Holy Spirit enlightened her and she generated the Divine Word.

She was created in Holiness for the Holiness.

Divine perfection, which is God, has prepared this treasure which is Mary, my Holy Mother.

He has prepared this jewel which is Mary, to receive the equally Holy Son, Jesus.

My Holy Mother was perfect and she must be venerated as Holy, Most Holy, Holy of the Saints.

She is the Mother of Jesus Christ, the Mother of the Son of God.

Look at my Mother’s Holiness and change your way of thinking about Mary, my Mother.

Mary, my Mother, leads to the Father.

Holy Mary, full of purity, humble at heart, made Jesus her example.

My Mother is Holy, because she gave birth to the Son, Jesus Christ, who came into the world through

Mary's womb.

Love her Holiness and respect the truthfulness of Mary, my Mother, who has a truly Holy soul.

Whoever loves me, loves my Holy Mother.

I leave you my peace.

I am Jesus.

Message from Our Lady

Beloved,

I invite you to pray for your families.

Pray if you wish to have peace in your homes.

My Heart keeps on being concerned about the situation of many young people.

In these times the enemy tries in different ways to capture the young, leading them to the path of destruction.

Help me, my children! Do not let this happen.

Parents are also responsible for the young.

Pray.

There are many young people who struggle to get out of drugs and other vices, but fail.

It's necessary to pray and do penance for them.

The time is now, my children.

I bless you with love.

Message of St. Joseph

Beloved, I, Joseph, today wish to speak about the Church.

Beloveds, the enemy will keep on trying to destroy the Church of Jesus.

Knowing that he has no power over it, he will destroy many priests, bishops and religious.

He has already managed to remove the robes of many priests and also the clothes of the nuns.

Everything is unfolding slowly, slowly bringing down the Church of Jesus.

The enemy has an audacious plan for the Church.

You have to listen to what Mary Most Holy has been saying here in her apparitions.

Pray so that the religious, consecrated to God, do not leave the convents.

The enemy wants to corrupt everything.

Don't be fooled.

I am Joseph, the carpenter.

Message of St. Joseph

Beloved ones, I, Joseph invite you to the conversion now, because tomorrow may not be there for you.

I call you for your salvation.

Beloved ones, do not entertain yourself with vulgar matters which steal your time. Do not seek futility which are an obstacle to eternal life.

The faith which embraces the heart is the faith which leads to salvation.

Beloved ones, if you want to save your soul, take up your cross with love.

Mary, your Mother, is exhausted. The tears keep on flowing down her face, the sins of humanity mock her suffering Heart.

I, Joseph, warn you: if you do not change your habits and your way of life, you will be lost and without recovery for salvation.

Beloved ones, the sinful illusions of this world already go beyond the limits of disorder, even within the Church.

Divine tolerance can no longer hold back in front of so much wickedness.

Be always clear at heart and purify yourself.

I leave you my blessing.

I am Joseph, the carpenter.

Message from St. Anthony of Padova

Peace and love.

Beloved ones, I, Anthony, invite you today to the prayer and the good witness.

Beloved ones, without God there would be no life, air, water and sky. God is the Creator of all.

Search in the source that Jesus offers you, the water for your salvation.

Beloved ones, do not despise what will bring you to infinite riches. Seek God as soon as possible.

I, Anthony, am speaking to you today so that you do not have to repent tomorrow.
Do not cover the lamp, but place it on top of the candlestick, so that everything is illuminated.
Live in a correct and fair way, so that you have nothing to pay.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message from Our Lady

broadcasted at 12:00 – universal time of grace

Peace.

Dear and beloved children,
on this day I invite you to pray for the conversion of those who do not believe in God.
May you be all blessed for listening to my call and coming to this Sanctuary, a place chosen by me.
Beloved ones, it is with my heart overflowing with love for you that I come once again to invite you to a total and sincere prayer.
I bless all those who are present here and all those who put aside comforts and fearlessly announce these apparitions of mine.
On this very special day I pour out rays of love and graces from my Immaculate Heart on all of you.
I love you and for this reason I come to wake you up, to call you to conversion.
The hands do not stop, time is short and there is still time for conversion.
Have faith and courage.
I invite you to the prayer, the penance, the forgiveness.
And don't waste your time.
After the great sign there will be no more time, there will be only crying and it will be too late.
Be happy and grateful to the Father, who has made you worthy of the heritage of the Saints.
I bless you with love in the name of the Father, the Son and the Holy Spirit.

During the apparition, Our Lady also said that, starting from today, the crucifix in the chapel will once again oozing oil from its Holy Wounds (as it did four years ago).

At the end of the apparition, the pilgrims went to the chapel – which had remained open all the time – and were able to witness that the wounds of Jesus were oozing oil.

My sons, on this day, I invite you to pray for your families.
Come all under the Virginal mantle of your Mother, the Mystic Rose – the Queen of Peace.
Beloved ones, take refuge in my Immaculate Heart and do not get upset by what the world is telling you. Trust.
These are already the times foretold.
Today, remember my seventh appearance in L'Île-Bouchard, France, in 1947, to four little girls.
Here I repeat what I said at L'Île-Bouchard: pray a lot for sinners.
May your hearts not be troubled with the news of the world.
The rosary is the weapon against all evil.
I bless you with love in the name of the Father, the Son and the Holy Spirit.

The illusions pass.

Perseverance is a blessing that does not die.

Beloved ones, may your heart be sincere and simple and your love be "to be able", for it is in giving that you receive.

Do not look for the past, but for what is yet to come.

Set free from the past, from everything that imprisons you in lucid memories.

Seek the permanent future for yourselves, which will give you strength and security in Jesus.

Message from Our Lady

My children, I am present among you to speak of peace and love.
Little children, set aside a time for prayer.
Many do not pray and are moving further and further away from Love, which is God.
Seek strength in the prayer.
Be aware that through the prayer you can achieve everything, even what you think is impossible.
Pray, my children.
Many are still far from God's love and with hardened hearts.
Listen and welcome these words of mine and put them into practice in your life.

Message of St. Joseph

Beloved ones.
Always seek the truth.
Many seek power and glory through paths contrary to those God has pointed out to you.
Many speak in the name of God, but only out of habit, to deceive and to appear. In truth, their hearts are stones hardened by vanity.
Do not seek greed, because you will leave everything here.
Do not remain isolated in disobedience, greed and sin.
Seek your salvation while there is still time.
Put your treasures in the Heavenly Banks, because there they will make you eternal salvation.
I am Joseph, the carpenter.

look inside yourselves and free your hearts from sins and illusions.
Try to please your Creator with your attitudes and your works.
Seek what leads you to salvation and do not let yourselves be taken by the attraction of evil, which reigns over you.
My children, turn away from all that is evil, do not seek esotericism, fortune-tellers and healers; do not seek the zodiac to know the future, do not seek the sorcerers in secret.
I, the Lord, am your support and I guide you to the light.
I am the light and this light will shine on you to show my Mercy.
I leave you my peace.

Message of St. Joseph

Beloved ones,
I, Joseph, invite you to pray for your families.
Beloved ones, people who seek pleasure and the purchase of material goods to feel fulfilled in this life, are very far from true life, because true life is acquired with charity, goodness and forgiveness.
All those who are far from this reality will never be happy.
I am Joseph, the carpenter.

Message from Our Lady

Peace.
I, your Mother, come to you from Heaven to console you and to wake you up.
I wish you all to be close to me. Here I make an invitation to the conversion.
Pay attention to the signs, they are visible to all.
Bring your relatives, your neighbors, be united, pray, keep on praying for the Church.
I am the Mystic Rose, the Queen of Peace.

Message of St. Joseph

I, Joseph, invite you to pray for peace.
Pray for all those who persecute the Christians.
The massacre of the Christians is made by the work of satan, who is the force of evil which is in the hearts of men without God.
Everyone seeks power and glory, but through paths contrary to the one of Jesus.
Greed and pride destroy the hearts.
Pray a lot.
Put these messages into practice.
I am Joseph, the carpenter.

Message from Our Lady

Peace.

Beloved children, I invite you to pray for the deliverance of this Nation. Have faith.

My children, I, your Mother, come to tell you to pray more and more with trust.

Humanity is going through difficult times, in which the scourge will increase more and more.

Pray for your brothers.

I wish you to live my messages.

Message from Our Lady

Peace.

Beloved children, I am the Mystic Rose, the Queen of Peace.

On this day I come to convey to you the following message: it is necessary that you multiply your prayers.

My children, the difficult times are already here.

You have to hold on to the Holy Rosary.

Pray, pray.

Our opponent is furious. It is with prayer, fasting and forgiveness that you will be able to get him away.

Today I also come to remind you once again of the importance of prayer. If you pray it will be easier for me to help you.

My children, look at this world: many are far from God's love and their hearts are hardened.

I bless you with love in the name of the Father, the Son and the Holy Spirit.

Message from Jesus

Beloved ones,

look at how pitiful is the state of misery in which many of my children find themselves. They run after things which will get them nowhere.

They seek happiness in the disorder, but they find only sadness.

Beloved ones, recognize that only in me you can find true joy.

Only I can give you the peace.

Don't let materialism take over you.

I also tell you: you are in need even though you have everything, because you do not seek me, you do not know me.

I am Jesus.

Message of St. Joseph

Beloved ones,

I, Joseph, come to be among you.

Be vigilant and pray to discern right from wrong.

Signs are happening which are not sent by God.

Be careful not to fall into satan's traps.

Be cautious, because in this final time there will be many roads which will lead you to perdition.

Beloved ones, time is running out.

Save yourselves and save your brothers, because God's will is that no child shall get lost.

Live your faith.

Forgive and live in harmony with nature and with everyone. Seek your strength in the Eucharist and in the prayer.

The Warning will be great. Be careful.

I am Joseph, the carpenter.

Message from the Archangel Michael

Dearest,

I, Michael, invite you to pray for those who still do not know the love of God.

Humanity is in a Russian roulette: even if the bullet is not released, it keeps on staying there in the hammer.

All the Leaders' attitudes of the various States leave a mark on their country.

These marks can be large or small, but they never go away.

Be strong and courageous.

Message from Our Lady

My children, peace!

I am the Immaculate Conception, the Mystic Rose the Queen of Peace.

Children, on this day, I call you once again to pray for peace. This peace can only be received through my Son Jesus.

Pray, my children.

I wish you to pray for the Church to proclaim me as Mediator of all Graces, Co-redemer and Advocate.

I will rejoice very much on that day.

My children, I came from Heaven to be with you.

I am your Mother and I am here.

My children, I do not disapprove the vaccination for this pandemic (covid-19), but I condemn vaccines

which involve the use of cells generated from voluntarily aborted fetuses.

Pray, my children.

The Church will be punished if it will support such experiments. Remember that every voluntary abortion is a sacrifice made to Satan.

Since this pandemic began, God has given humanity a time to reconcile with the Creator.

Children, as Moses interceded for the Israelites in the desert in times of danger, so I, your Mother, intercede for you.

My children, I repeat again: the schism will come and with it the punishment of communism, which will deprive everyone of everything they own.

This is a time of persecution in the Church.

I am here to take you to the safe refuge which is my Immaculate Heart.

My children, seek God with repentance, and in meeting him you will find true joy.

Be brave.

Today remember my apparition on April 12th, 1985 in Schio, Italy.

Pray and offer your sacrifices, because only with prayer will men be saved.

I bless you with love.

Message from Our Lady

Beloved children, peace.

I invite you to convert to God.

My children, you have to be prepared.

Seek the peace and sow the peace.

There is a spiritual battle in which evil tries to seduce you.

Pray. Be strong.

My children, pray for my intentions.

They also include all your intentions.

I, your Mother, will reward you, in accordance with the will of Jesus, for each of your intentions.

Begin today to pray for the Church to proclaim me Mediator of all Graces, Co-redemmer and Advocate.

I am the Advocate before the Divine Judge, who is my Son Jesus.

Pray, pray, my children, for this intention.

I am the Mystic Rose, the Queen of Peace.

I bless you with love.

My children, today we find ourselves again in this Sanctuary blessed by me and by my Son Jesus.

Again, I am here with only one purpose: to meet you. This aim is to open the heart of each one of you to the conversion.

It's necessary for you to be converted so that the peace reigns in your hearts.

If you will open the doors of your hearts, if you will say a sincere yes to Jesus, if you will listen to my requests, if you will love God and your brothers, you my children will be participating in the Kingdom of God, the kingdom of love and peace.

Love your brothers.

Forgive your brothers to get God's forgiveness.

I bless you with love.

Message from St. Anthony

Peace and love.

Dearest,

I come to give you this message in the name of God, the Father, and of the Virgin Mary, the Mystic Rose, the Queen of Peace.

Listen and write carefully.

This is a time handed over to Satan.

In every way and in every form, Satan is going to divide the Church of Jesus Christ.

You have to pray the Holy Rosary requested in these apparitions with more trust. Only those who will be firm in prayer, as a rock, will stand.

Humanity keeps on wasting the graces which God has given through the holy and immaculate hands of the Most Holy Mother.

The Blessed Virgin Mary was sent to São José dos Pinhais as a messenger of God and few are those who give credit to her.

Humanity is blind. It does not know what God will send to the world if humanity ignores her apparitions.

I'm here today by order of the Heavenly Commander, the Victorious Queen.

Beloved, pray for the children, for young people who are afraid and for those who have suffered the trauma of violence, on the street or in their homes.

I also invite you to forgive those who persecute you or have persecuted you.

Pray also for the souls of your friends or acquaintances.

Pray for all people with drug addiction.

Receive the blessing I give you in the name of the Father, of the Son and of the Holy Spirit.

30/11/2022 – São José dos Pinhais /PR

Message from St. Joseph

Beloved,

I, Joseph, invite you once again to place all your trust in the Lord.

Beloved, seek treasures for yourselves in Heaven, where nothing will destroy them: they do not succumb, they do not rot, they do not die.

Do not despair over material things.

Be content with what was intended for you.

Use what you have with love and happiness, with joy and peace in your heart.

Be obedient to God.

I, Joseph, will pray to Jesus for each one of you.

I, Joseph, will ask Jesus to give you the detachment from earthly goods.

I'm Joseph, the carpenter.

My children, peace.
I come again to make an appeal to this nation, Brazil.
Pray much and do penance for rulers.

Message from St. Joseph

I, Joseph, invite you to the prayer of silence.

Trust in our Sacred Hearts.

Do not resist the grace of our Sacred Hearts. Blessed be the house which honors our Sacred Hearts.

Beloved ones, our adversary keeps acting in the families: he sows discord between parents and children and ultimately leads to divorce.

Defend yourself with prayer.

Use often holy water.

In the face of so much manifestation of the enemy, prayers will have to be greater to win.

I'm Joseph, the carpenter.

Peace.

My children, over these years in which I have been with you, I have noticed that many still have not understood my coming to this nation.

My children, pray the Rosary.

Give good witness.

Only in this way you will gain souls for God.

Message from St. Joseph

I, Joseph, the carpenter, invite you to the family prayer.

Pray.

Try to be pleased to the hearts of Jesus and Mary, my beloved bride, with your attitudes and your works.

Beloved ones, salvation is about to come.

Try not to lose it.

Live so as not to waste time with useless and fleeting things, but seek for yourself what will benefit you for your future life.

Free yourselves from the snares of this illusory life, in which you cling to goods without eternal value.

Evil dominates, perdition grows and the evil one destroys.

I'm Joseph, the carpenter.

Children, peace.

Don't lose heart.

I wish to see you with a heart full of joy, united with the Heart of Jesus, with mine and with the one of Saint Joseph.

Do not lose heart when you give witness to my apparitions and many do not give you credit.

Believe: you will be rewarded in Heaven.

I had already told Bernadette Soubirous: I cannot promise you happiness on the earth, but in Heaven.

Listen to me and you will experience in Heaven all the Beatitudes announced by Jesus here on earth.

I bless you with love.

Message from Our Lady

My children, peace.

Today, I come to bring you a message of love and hope.

My children, I am your Mother, the Mystic Rose, the Queen of Peace.

My children, many are getting lost because they don't meet Jesus, they don't entrust themselves to Jesus.

Many are still at the service of Satan and think only of themselves.

I am here to lead you to the Kingdom of God.

Don't forget: you have a short time on this earth. You have to build your home in Heaven.

Don't look for satisfaction in this world, everything here is fleeting.

I am here to help you.

I am happy when you listen to me and answer to my requests.

Pray.

I bless you with love.

Message from Our Lady

Dear children, peace.

On this day, I invite you once again to pray the holy rosary, not only in this Shrine but also in your homes.

My children, on this day, I ask for prayers for my chosen children, the priests.

There are still many priests who are far from the way of Jesus, which is the way, the truth and the light.

Pray for the priests.

Only in this way, they will be able to feel the flame of my Immaculate Heart.

I ask you, not only this month, but every time you pray, to present your Parish priests to my Motherly Heart.

My Heart is still surrounded by thorns by many priests.

Pray, my children.

This is a time of grace. Don't waste it on the things of this world.

I am your Mother and I am here.

My children, be free from all that makes you prisoners.

Pray with your heart, forgive.

I am the Mystic Rose, the Queen of Peace. I bless you with love.

Message from Our Lady

My children, peace.

I invite you to pray for the clergy of this nation.

Pray. Pray a lot.

A sick body is a weak body and without the strength to make decisions. For this, it is necessary to seek strength in Jesus.

The Church in Brazil is sick. It must seek strength in Jesus.

Pray, my children.

You will see the great transformation in the Church, if you really pray.

Pray with confidence.

I am the Mystic Rose, the Mother of the Church, the Queen of Peace.

My children, you have to pray to be ready for the decisive days that are about to arrive.

Pray, pray.

I bless you with love.

12/06/2023 – São José dos Pinhais/PR

Message from Our Lady

Peace.

I, the Mystic Rose, the Queen of Peace, am here to invite you once again to the prayer. Pray.

Don't stop praying, both at home and at work. Your life has to be a continuous prayer of praise to God.

Love and pray.

The more you sow, the more fruit we will have to pick at the end of the harvest. Therefore, sow my messages.

Always give love to one another.

Above all, give love to those who lack maternal love, because you receive it from my Heart.

Love and live the good.

I bless you with love.

Message from Our Lady

Peace!

My children, I wish peace to all of you.

My children, how many times have I asked you to forgive your neighbor.

How much lack of forgiveness still holds your hearts!

Listen to the voice of this Mother who comes to this place to ask for peace.

You have asked for peace, but your hearts are filled with resentment and doubts. Forgive, my children.

Always forgive!

I am the Mother of Forgiveness.
I forgave all those who abused and killed my Divine Son.
If your requests are not heeded, it is because forgiveness is still lacking in your hearts.
On this day, I invite you to forgive and love.
I am your Mother, the Mystic Rose - the Queen of Peace.
I bless you with love.

Message from Our Lady

Dear and beloved children, peace!
On this feast day, devoted to "Mary the Mystic Rose", I invite you to live my messages.
They are messages of forgiveness, love and hope.
My children, I repeat: forgive.
Your souls are sick because true forgiveness is lacking. Healing from many illnesses lies in true forgiveness.
Many of you are losing grace because you are not forgiving.
In this apparition, I have spoken to you about your souls.
How will you present yourself before God when He calls you?
Life on this earth is fleeting.
Do not accumulate goods in this world.
Pray for your families. Pray for my sons priests and for all the clergy.
Without prayer you will get nothing, so start praying.
I bless you with love.

Message from Our Lady

My children, I am your Mother the Mystic Rose - the Queen of Peace.
Children, I am here and I wish to bring you to Jesus. Do not be afraid to totally belong to Jesus.
My children, I am here because I want and wish to walk with you.
Live my messages.
Bear witness to these apparitions.
Beware of people who say they see and receive messages from Heaven.
This nation is full of false seers. I have called these children to be near me, but they don't want to.
They have turned away further and further from me, walking in sin. My heart aches to see that many are condemning themselves to Hell.
This is not the first warning message I have communicated regarding false seers.
Our opponent is cunning.
He has also deceived church members.
Pray.
I bless you with love.

Message from Our Lady

My children, peace.

Today remember my fourth apparition in Fatima to the three shepherd children, in the locality of Valinhos.

Today I invite you, once again, to go more often to my shrine in São José dos Pinhais.

Do not waste this grace which God has given to all of you.

Pray, pray many rosaries for the priests and also for your families, especially for the children.

From this shrine of mine in Azambuja, today, I send my motherly blessing down upon all of you.

Message from Our Lady

My children, peace!

I invite you to pray for those who do not love God, for those who do not accept me as a Mother.

I am here and I wish to help you in your daily difficulties.

Trust in me that I am your Mother, the Mystic Rose, the Queen of Peace.

My children, open your hearts to my love.

I plead for every child who, fondly, asks for my intercession.

I know what your fears and insecurities are, but I tell you: don't be afraid.

Pray, pray, pray with trust.

I bless you with love.

Message from Our Lady

My children, peace!

I am the Mystic Rose, the Queen of Peace.

I invite you, once again, to pray for my priest sons.

Pray, pray a lot for them.

Many of them are bearing bad witness and leaving the priesthood. This saddens me and makes our opponent laugh at their weaknesses. Many of them are heading towards the abyss of perdition with their own hands.

Wake up my children, wake up while there is time!

Look for a life reached out to God. Try to stay close to this Mother.

The messages I have given here, have been a warning to my chosen children, but many have not given importance to these messages.

God called the priests to the conversion.

The time is near, my children.

Convert!

This nation is a refuge for priests during persecutions against the Church. Therefore, my children, pray and give good witness.

Live the Gospel of my Son Jesus in your lives. Beware of false philosophies which have infiltrated the Church.

Disregard towards the Holy increases more and more. What has happened inside the Church is frightening. Many see, but do nothing. Many have lost their faith and many will still lose it. It is sad! I bless you with love.

Message from Our Lady

My children, peace!

Today I invite you to pray for peace.

The world is in darkness and peace is threatened.

You have to pray with your heart.

Human beings have moved away from God more and more, seeking their own destruction.

You, my children, need to have intimacy with God through prayer.

Seek God through prayer.

Seek God while you still can.

Pray, pray, pray.

I bless you with love.

Dear children, peace!

On this day, I invite you to: open your hearts to my Motherly love.

My children, do not lose heart.

Don't stop praying, no matter how great your difficulties are.

Have a meek and humble heart.

I see that many are calling for justice, but as a Mother I say to you: be merciful.

Message from Jesus

Beloved, in this moment I look towards my children who do not love me, who do not want to be with me, who do not listen to my voice.

The number of children, that makes my Heart immensely sad, is growing.

How many are those who begin to follow my path but, soon after they already deviate and no longer want me!

Beloved, be advised: my Love is immense and my Mercy is infinite.

But I am Just and Faithful and I am not blind.

I see everything.

Be faithful to me and be fair to everyone. Listen to my voice.
Don't be deaf.
You will be forgiven if you seek humility and humble yourself before your Savior.
I will forgive you for the merits of my painful Wounds and for my Mercy.
I am Jesus of Nazareth.

I am here to spread the graces which are most necessary for the soul of each one of you.

You ask me for what is most useful to you, and most of the time is matter of material and insignificant things.

I'm here to help you.

I, your Mother, recommend you: ask for the gift of love. With this gift, you will have the grace of Forgiveness and Charity.

My children, do not forget: if you are faithful to my messages, you will come closer to my Heart.

Message from St. Anthony of Padova

Peace and love.

Beloved, the big day is closer than you can imagine.

Be prepared in prayer not to be taken by surprise or even asleep.

This evening I come to this place to tell you: wake up and welcome the voice which comes to you from Heaven, my brothers.

The Lord wishes to restore your souls, which are corrupted by sin.

Welcome these messages, do not reject the messages of the three Hearts.

Don't deny them, don't stifle them, don't despise them.

Listen to them!

This is a sign from Heaven for Brazil.

It is the voice of the three Hearts which comes in São José dos Pinhais, listen to them!

I only ask you to love and change your life. Seek for the path of perfection close to these three Hearts.

Am I asking a lot of you? Is this a lot for you?

My message today is that you love and respect the three Hearts.

Let the three Hearts enter your hearts. These three Hearts wish to be the center of your lives and families.

Rely completely on Jesus, the Heavenly Mother and Saint Joseph.

I ask you for more prayers for the priests.

Pray for the Church!

Pray for the priests, so that the Holy Spirit may enlighten them.

I also ask you to stop making noise inside Churches.

Come in to worship and not to talk in vain. How many conversations you have in Church!

Pray for the elimination of the noisy instruments.

Do you think, beloved, that loud music is pleasing to Jesus?

I tell you it is not.

It is not pleasing to Jesus, but in this way you please men.

When you come in the Church, bow, bow in the presence of Jesus.

Bow and recognize that you are nothing. Bow down and acknowledge your misery.

Beloved, pray for the conversion of the poor priests, pray.

Be persevering in prayer.

Don't waste time with fleeting things.

All join me, as the day will come when the missing will cry, regretting the time wasted with illusory attachments.

This time is a time of Grace.

Heresies are taking over humanity, even within the Church of Christ.

You will suffer misfortunes and lack of love to preserve your spirit.
Many of you will face a battle of outrage for what will come.
Hypocrisy and plague will destroy many.
The rulers of this world will force you to deny the truth written by the Prophets.
You will have to be one with God to have strength in the fight against evil.
Ensure the immortality of your soul with prayer.
Punishment will fall on the nations which do not accept the Savior.
Be obedient to your God, so as not to perish in the last hour.
Be persevering, gentle and active.
Do not hide from these messages, but live them for your salvation.
I bless you in the name of the Father, of the Son and of the Holy Spirit.

Message from Our Lady

My children, peace.

Today I invite you to pray for my sons the priests.

I am the Mystic Rose, the Mother of the Church.

Pray for vocations.

It is necessary to pray for young people, so that true vocations may be born.

Here I insistently asked to pray for vocations.

It is necessary for everyone to realize that without prayer, there will be no true vocations.

Do the „Thirteenth-days Novena“ every month for vocations and for all the clergy.

Difficult days for the Church are upon us. In all nations there will be a lack of vocations.

Seminarians will abandon the seminaries and convents will be emptied, due to the shortage of vocations.

Pray, pray with commitment.

I bless you with love.

On this day of prayer, dedicated to me with the title of Mystic Rose - the Queen of Peace, I invite you to pray for your families.

My children, pray for peace in your homes; pray so that there may be harmony between the spouses.

You parents must have the Holy Family of Nazareth as a model.

It is necessary to pray in the family.

Give witness to your children.

You will not be able to ask them anything in the future if your witness today is not the best.

Without prayer, you will not achieve the victory.

Be careful of the enemy's traps.

Pray every day, a single crown or the entire rosary (all the mysteries), as I have already asked you here.

I am Mary the Mystic Rose - the Queen of Peace.

Be careful, my children, banish from your mind any doubt regarding these apparitions.

Give good witness to all those who approach you.

I am the Queen of Peace, the Mother of the Word.

Don't let discord grow among you.

Pray, pray so that peace may remain in your hearts.

Bring this peace which I bring you from Heaven, this peace which my Jesus gives to all your family members.

Love without measure!

Sow love, peace and charity wherever you go.

I rejoice in the presence of each one of you today here in my Sanctuary.

I bless you with love.

Message from Our Lady

Peace!

Dear children,

on this day, I invite you to pray for peace in your hearts.

Pray also for the priests.

It would be so beautiful if the Church had been here from the beginning to the end, to record the wonders that my Divine Son is accomplishing.

These are graces which many faithful are missing out, waiting for the Church to decide.

Pray, my children.

Don't let this grace slip away in your lives.

I come to this city to bring you to my beloved Son Jesus.

Pray for the priests.

Pray for the bishops of this Nation.

Your prayers are very important to God's plans in this Country.

Remember: I am here to form a large family of prayer.

I would be very happy for my chosen sons, the priests, to help the faithful to have a holier life, a life of prayer, a life turned to God.

But for this to happen it is necessary for you, my children, to start praying for the priests.

Pray gladly.

Pray with trust.

Love the priests, pray for them.

I am the Mystic Rose, the Mother of the Church.

I bless you with love.

Message from Our Lady

Peace!
My children, today I invite you once again to pray for my chosen children, the priests.
I am here and I insist on asking you to pray a lot for the Church of my Divine Son Jesus.
I have already revealed to you, in many past messages, that there would be many persecutions within and without the Church.
Know, my children, that this persecution has already begun.
You have to double your prayers.
You, as mystic roses, have to pray, do penance and even small sacrifices for my sons the priests.
Do not be afraid.
I am your Mother and I am with you. Always consecrate your families to my care.
On this day, I also invite you to pray for my children in Asia.
Pray, pray my children.
Everything you will give with love, will come back to you doubled.
I bless you with love.

12/07/2024 – São José dos Pinhais/PR

Message from Our Lady

Dear children, peace.
On this day, I invite you to pray for the families.
Families continue to be a target by the evil one's attacks.
Many houses are bombarded by discord, vice and many other evils which our adversary tries to sow.

I ask you: what are you doing to ensure that these evils are not sown in the families? Are the families praying? Are the families living the gospel? Are they going to Mass?

Well, if these attitudes do not change, your families will be defeated by our adversary.

My children, I am here as a Mother and I wish to help you.

It is necessary to pray, a single crown or the entire rosary (all the mysteries). Without prayer you will lose the battle.

Set aside a time for the family prayer.

Parents, teach your children to pray, talk to them about God, read a passage from the Gospel with them, even if you don't know how to explain it to them.

Sow the Word of God in the hearts of your children, sow peace, harmony and love.

Have courage.

Bring peace and love into your homes.

It is a time of Grace and Mercy.

I am Mary, the Mystic Rose, the Queen of Peace.

I bless you with love.

Message from Our Lady

Peace.

Beloved children of my sweet Immaculate Heart, on this day spent in prayer, I, your Mother - the Mystic Rose, the Mother of the Church - wish to bless you in a very special way.

Children, call me Mother!

I am your Mother and I wish to be close to you, both in sadness and in joy.

My children, on this day, I invite you to join me for the peace within the Church.

My children, do not forget: you are my beloved children.

My Heart overflows with joy on the celebration of the 77th Anniversary of my first Apparition as Mary the Mystic Rose to my daughter Pierina, in Montichiari hospital, on the 13th of July 1947.

On this day, I visit all the seminaries, convents and institutes which, with love and trust, have made the Thirteen-days-Novena, and also you here who have put this request into practice.

I wish to thank you.

I love you very much.

Pray.
Put all your trust in God.
Do not doubt the existence of God.

Look at the Heart of Jesus.
Entrust your lives to the Sacred Heart of my Divine Son.

Message from Our Lady

Peace.
I invite you to pray for the souls in Purgatory. Know, my children, that these souls cannot do anything for themselves, they can only pray for those who are on Earth. This is why today I ask you to pray and do penance for the souls in Purgatory.
Today I also ask you to take care of the planet Earth. The future generation will have many difficulties if you do not take care of the planet. The Earth is constantly changing. Help nature.
Today I also invite you to pray for my children in the city of Itajaí, in the state of Santa Catarina.
I am your Mother, the Mystic Rose, the Queen of Peace.
Love your neighbor and forgive.
I bless you with love.

Message of Our Lady

Dear children, peace!
I have come in these apparitions to prepare each one of you for the difficult times that the Church will have to go through.
I repeat: only those who pray will remain standing.
Prayer will be your strength.
I am here to instruct you through the path of trust and abandonment in the hands of God.

This trust can only be obtained through prayer.

Pray, my children.

I am the Mystic Rose, the Queen of Peace.

Pray for my beloved sons, the priests.

I bless you with love.

Message from Our Lady

My children, peace.

Today I invite you to pray for those who persecute you.

Forgive.

Do not say bad words about people who wish you harm.

Words can destroy, as well as build.

Sow peace.

Be bearers of peace.

I am your Mother, the Mystic Rose, the Queen of Peace.

My children, there are words that wound like a sword and can also kill.

Be careful!

But there are also words which bring health, when they are uttered with wisdom.

If you do not pray, you will not be able to remain standing.

I thank you for the prayers and penances done today here in this Sanctuary.

I bless you with love.

Message from Our Lady

Peace.

On this day, I invite you to pray for my chosen sons, the priests.

The Thirteenth-days Novena has given to many priests the gift of love.

I rejoice to see you praying the thirteenth-days Novena every month.

Do not lose heart.

Pray with courage and trust.

Whoever puts this request into practice will be contributing to the conversion of many priests.

Pray for the seminarians and for those who feel the vocation.

The Church needs priestly vocations.

On this very special day, I pour out my motherly blessing upon you.

I bless you with love.

Message from St. Anthony of Padua

Peace and good.
Dearest ones, I, Anthony, by the will of the Heavenly Commander, our Mother, the Mystic Rose - the Queen of Peace, come once again to this place, where Jesus has invited his beloved Mother to appear, to show her signs and also to transmit her precious messages, to all her children who love her and wish to be with her.
Beloved brothers, today I invite you to reread the messages that I have been already transmitting here over the years.
São José dos Pinhais is the only city in Brazil where I have been transmitting messages.
I tell you again: do not wound the Heart of Jesus and now also the one of his beloved Mother, Mary the Most Holy, with doubts. Why do many still refuse to believe in these apparitions?
Beloved, always be ready to pay the price of your disobedience.
Brothers, no one is obliged to believe in the apparitions, but read carefully the messages already dictated here over the years.
The world is facing great tribulations.
The family continues to be a target for our adversary.

Pray in the family, if you want to win this battle.
The Church will continue with its divisions and many priests will abandon the priesthood.
The house of God, the church, has become a house of entertainment.
The priests, who should set an example, are encouraging the faithful to profane what is sacred.
And you, my brothers, are you praying as Mary the Most Holy has asked here?
Are you praying and doing penance for these priests?
Pray for the priests.
I bless you in the name of the Father, the Son and the Holy Spirit.

Message from Our Lady (extraordinary apparition)

Peace.

On this day, I invite you to pray for peace in all mankind.

My children, during these years, since I have been coming to São José dos Pinhais, I have asked with love for conversion.

I wish you to stay close to me who I am your Mother, the Immaculate Conception, the Mystic Rose, the Queen of Peace.

My children, I never get tired of asking you: return quickly to God!

On this day I beg you: live my messages.

Do not lose heart in the face of difficulties, whatever they may be.

Pray in the family, pray for your conversion.

I thank each one of you who, with love, has desired to be here in my Sanctuary.

My children, pray for religious vocations.

It is necessary to do the Thirteenth-days Novena each month. If you wish to have Holy priests, start doing the Thirteenth-days Novena each month.

Our adversary has put up barriers to prevent you from completing the Thirteenth-days Novena each month.

I am Mary, the Mystic Rose, the Queen of Peace.

I bless you with love.

During the apparition, Our Lady prayed over each one of those present and asked to each one to offer his or her heart and his or her life to her.

She explained that at that moment She would have offered the heart of each one to her Divine Son.

Our Lady appeared as the Mystic Rose: with a blue sash around her waist and three roses on her chest (white, red and yellow).

In one hand she held a Rosary and in the other a golden basket full of red hearts, which looked like rubies.

She explained that these were the hearts of those who would have offered their lives to her: Our Lady would have placed those hearts in the golden basket and then present them to her Son Jesus.

Message from Our Lady

My children, peace.

I invite you to the inner prayer.

Seek for inner peace. Pray.

My children, it is not difficult to live, it is difficult to live without God.

My children, who is Jesus in your lives?

My visits to São José dos Pinhais, for those who believe, are a grace which my Son has given to this Nation.

This is a time of grace for Brazil.

Do not waste this time with fleeting things.

Pray in the family.

I am the Mystic Rose, the Queen of Peace. I bless you with love.

Message from Our Lady

Dear children, peace.

I am your Mother and I wish to stay always close to you.

My Heart fills with joy to see you near me.

Do you wish to give me a gift?

Be obedient to my messages!

Be the bearers of these messages which I bring to São José dos Pinhais.

My children, pray for vocations.

Yesterday, when I saw my chosen son (a priest) here in this Sanctuary, I wept with joy to see his love for me, who I am his Mother.

Always keep praying for him.

Persevere in your prayers for religious and priestly vocations.

I am the Mystic Rose, the Mother of the Church, the Queen of Peace.

I bless you with love.

Message from Our Lady

Peace.

On this day, I invite you to pray for peace in humanity.

My Heart watches over this Nation, but it is necessary that the priests keep consecrating themselves to my Immaculate Heart.

I am your refuge in the dark hours.

In front of my Son, I am constantly in prayer for each one of you, praying and asking Jesus to forgive you.

Here I ask you: do not blaspheme against the Three Hearts.

My children, when you pray the rosary, you do not pray it alone.

I, your Mother, am with you, praying and asking God for the graces necessary for each one of you.

I eagerly ask you to pray for my intentions.

I bless you with love.
